* An episode of care (EOC) is defined as a series of claims from a SNF for a beneficiary where the difference between the 'Through Date' of one claim and the 'From Date' of the subsequent claim is less than or equal to thirty days. The 'From' and 'Through' dates in form locator 6 (statement covers period) on the claim identify the span of service dates included in a particular bill; the 'From' date is the earliest date of service on the claim.

Note: RUGs will display for which there are a total of at least 11 days billed to the respective RUG during the most recent fiscal year.
