

Percentiles by Peer Group Short-Term Hospital

Q1FY22

Target Area: Stroke Intracranial Hemorrhage - Location

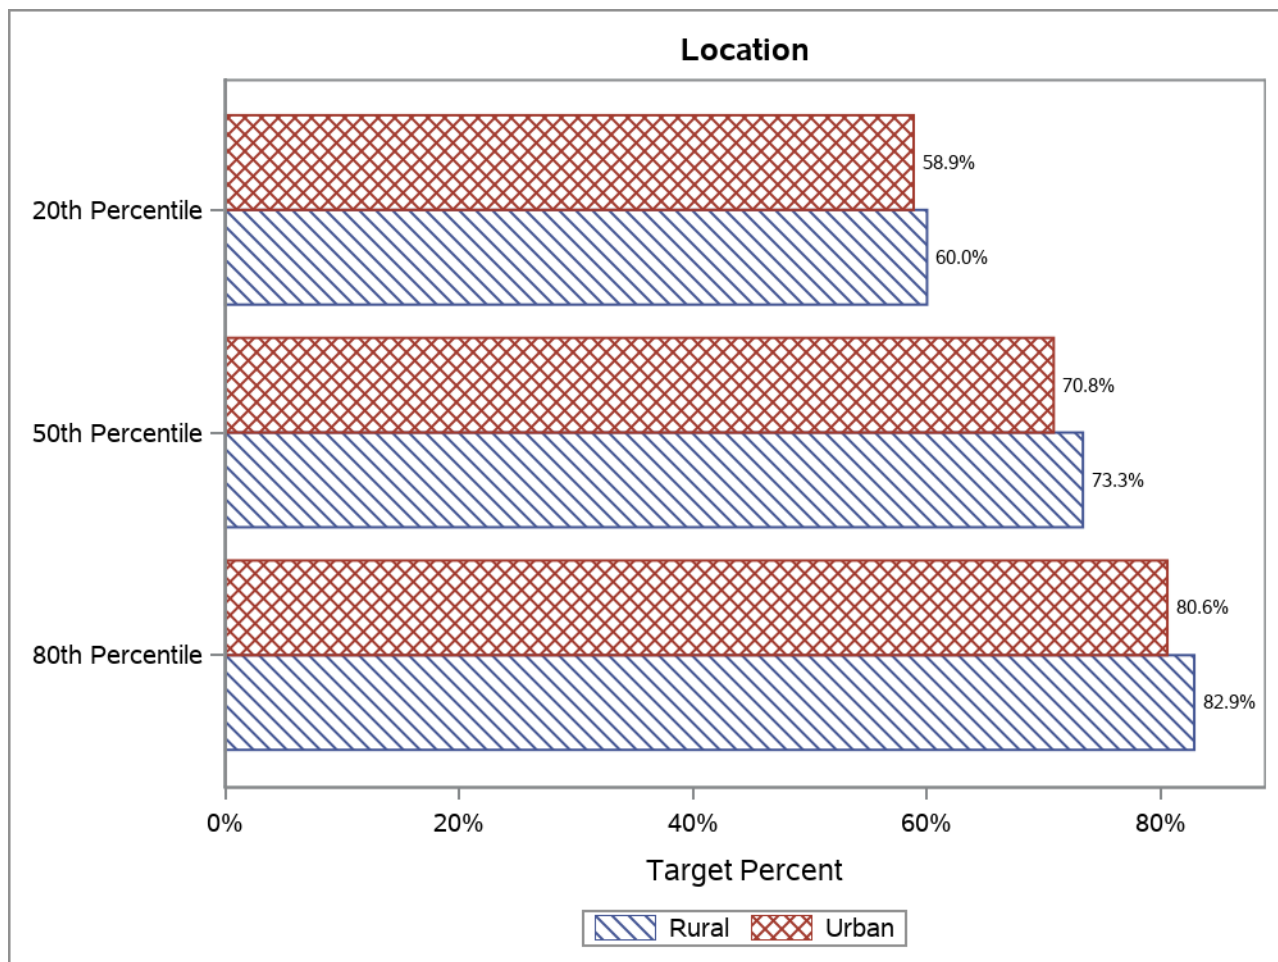

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	80.0%	88.2%	94.1%
Urban	78.9%	88.2%	94.3%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
 Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
 Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Respiratory Infections - Location

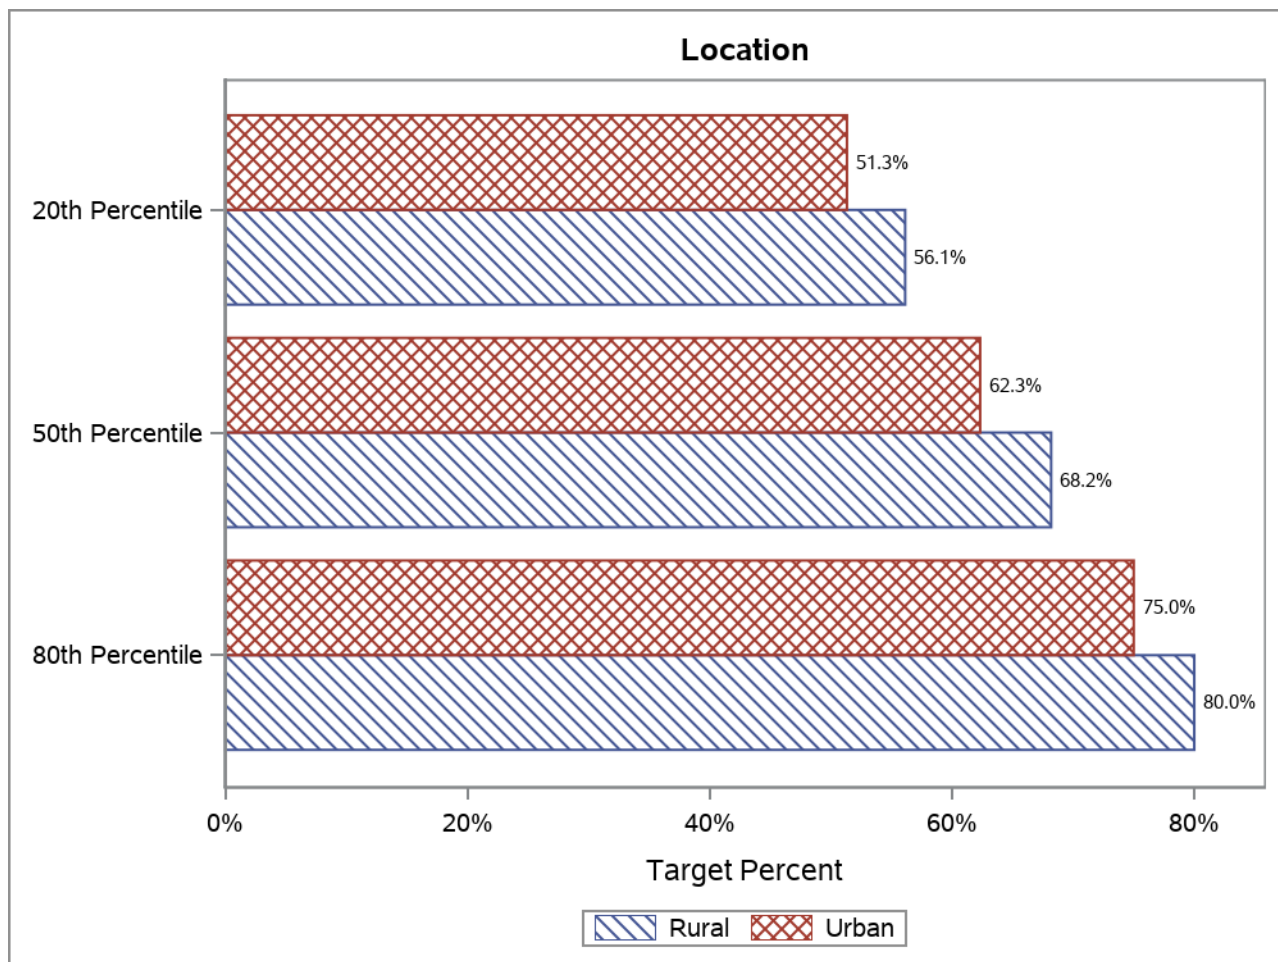

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	60.0%	73.3%	82.9%
Urban	58.9%	70.8%	80.6%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Simple Pneumonia - Location

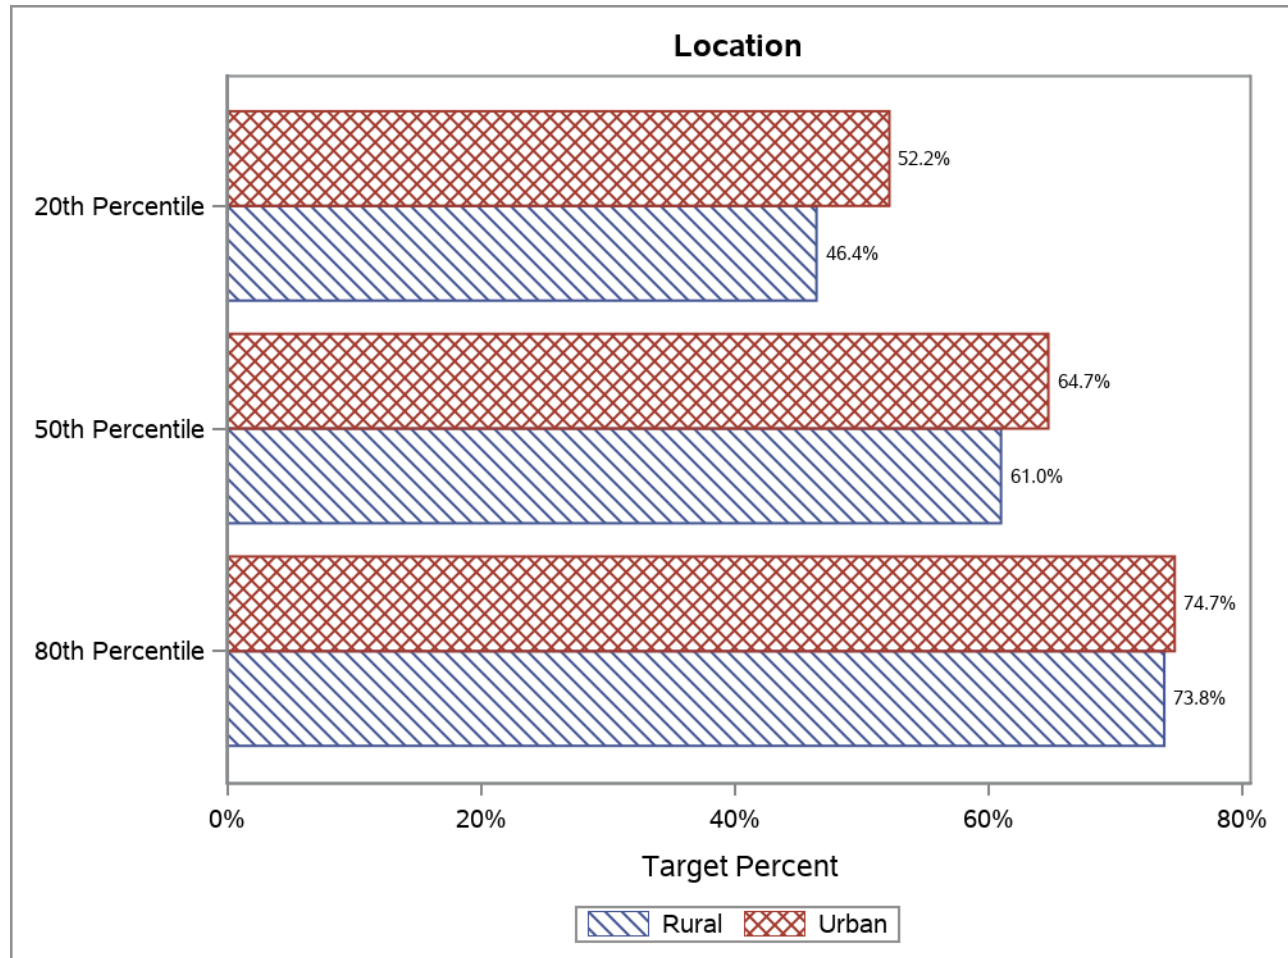

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	56.1%	68.2%	80.0%
Urban	51.3%	62.3%	75.0%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
 Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
 Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Septicemia - Location

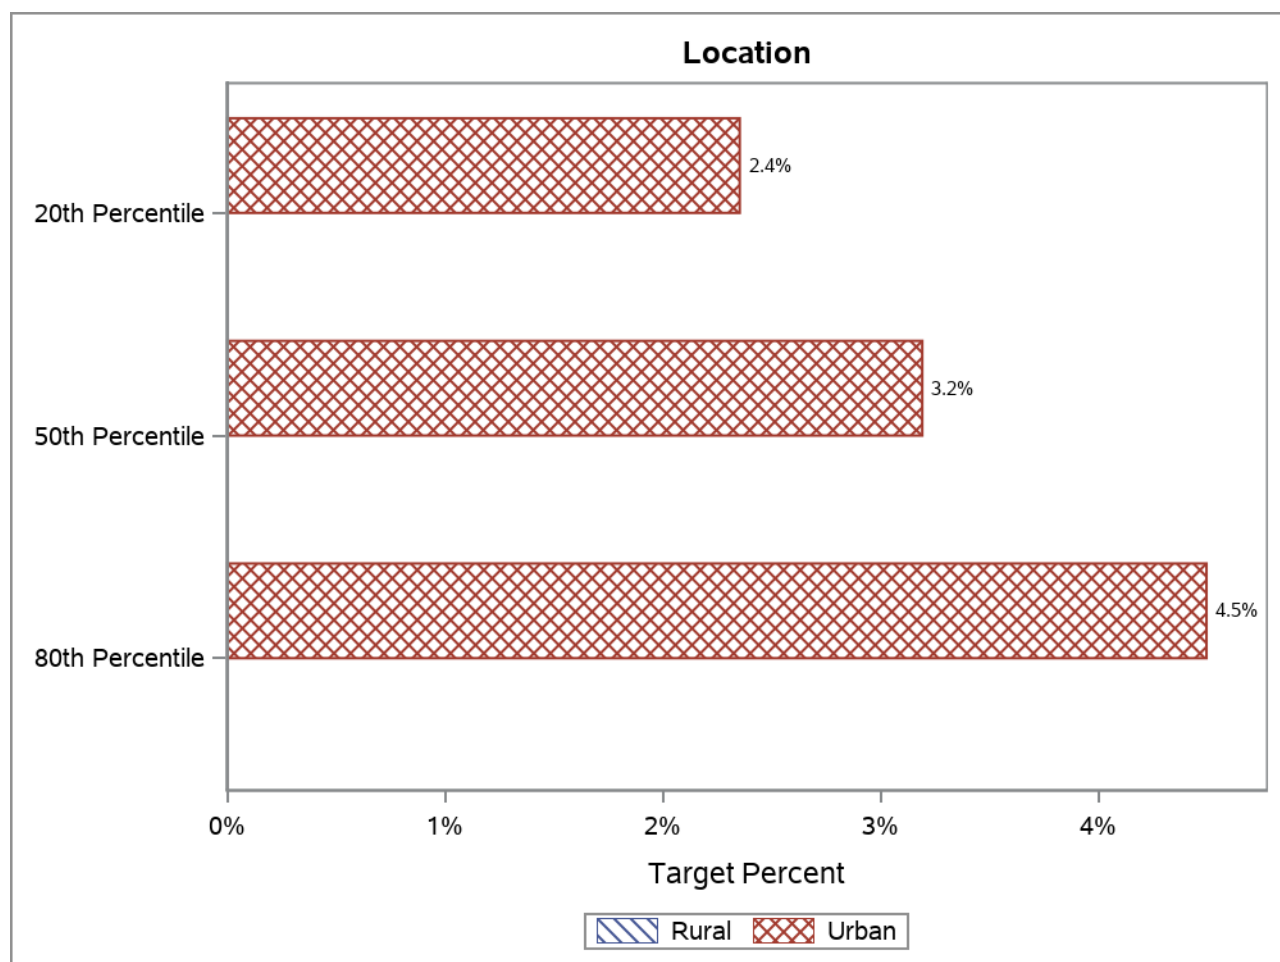

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	46.4%	61.0%	73.8%
Urban	52.2%	64.7%	74.7%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
 Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
 Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Unrelated OR Procedure - Location

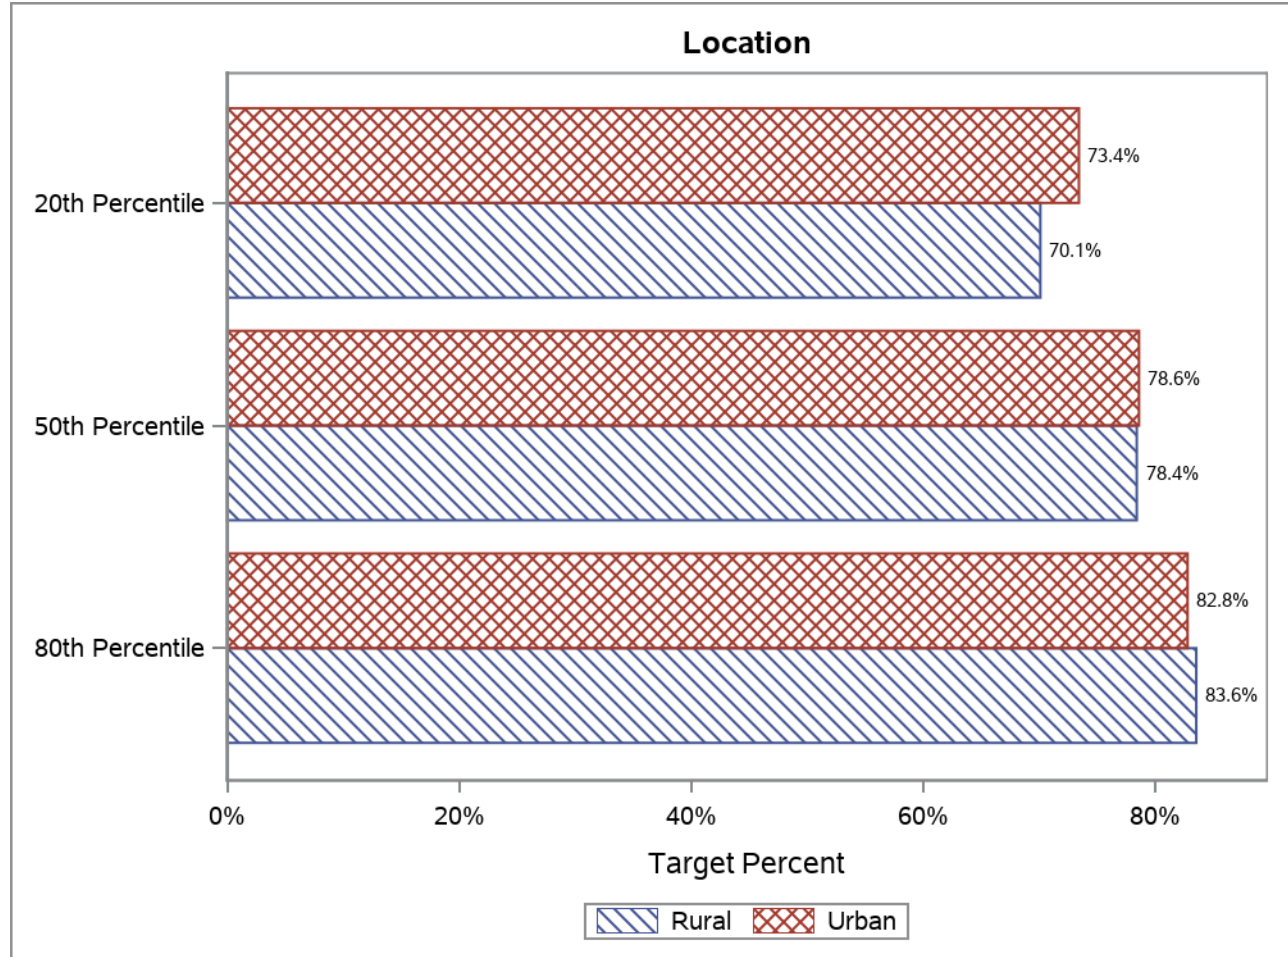

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Urban	2.4%	3.2%	4.5%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Medical DRGs with CC or MCC - Location

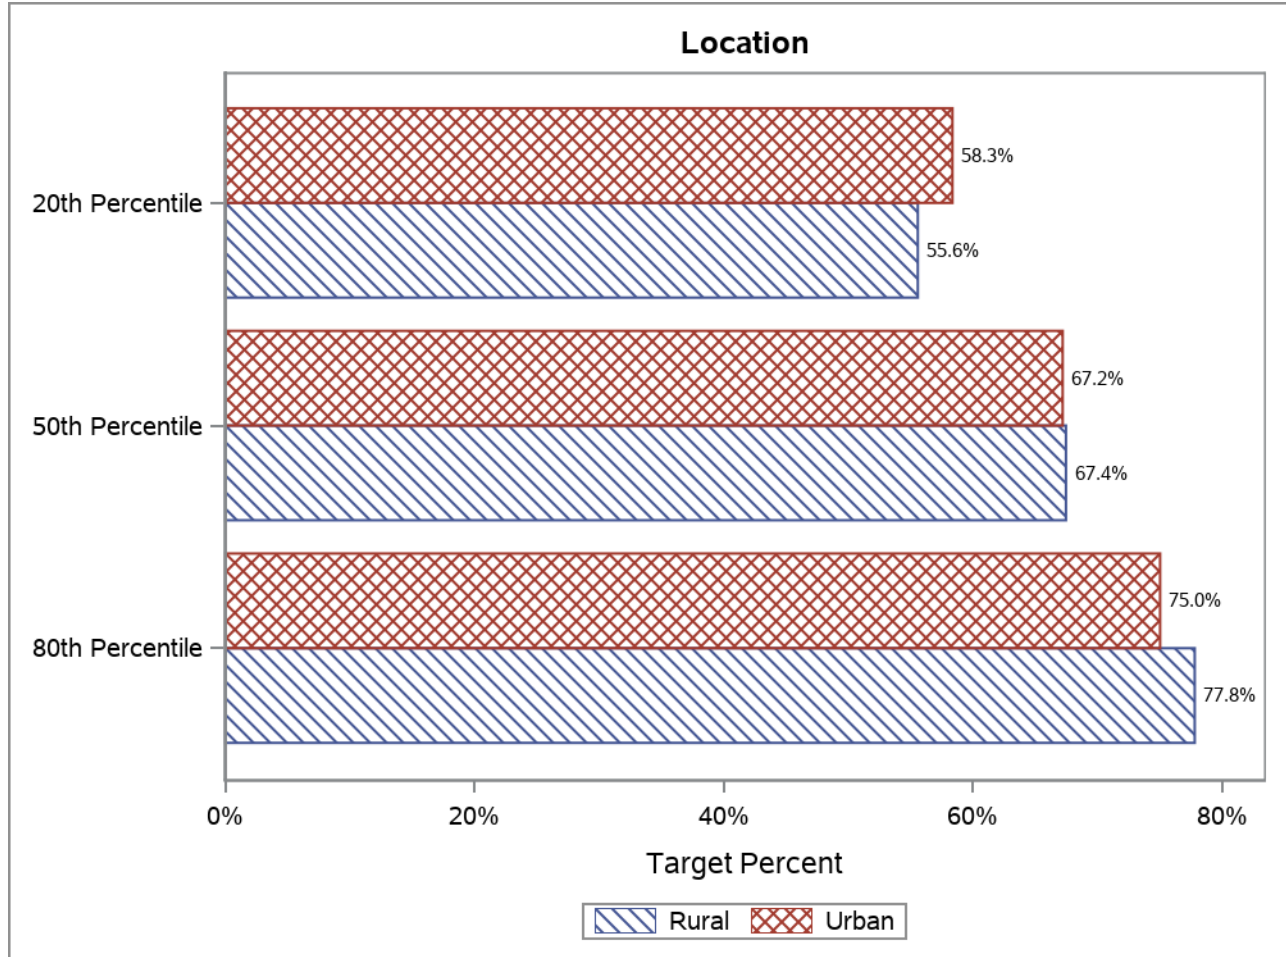

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	70.1%	78.4%	83.6%
Urban	73.4%	78.6%	82.8%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Surgical DRGs with CC or MCC - Location

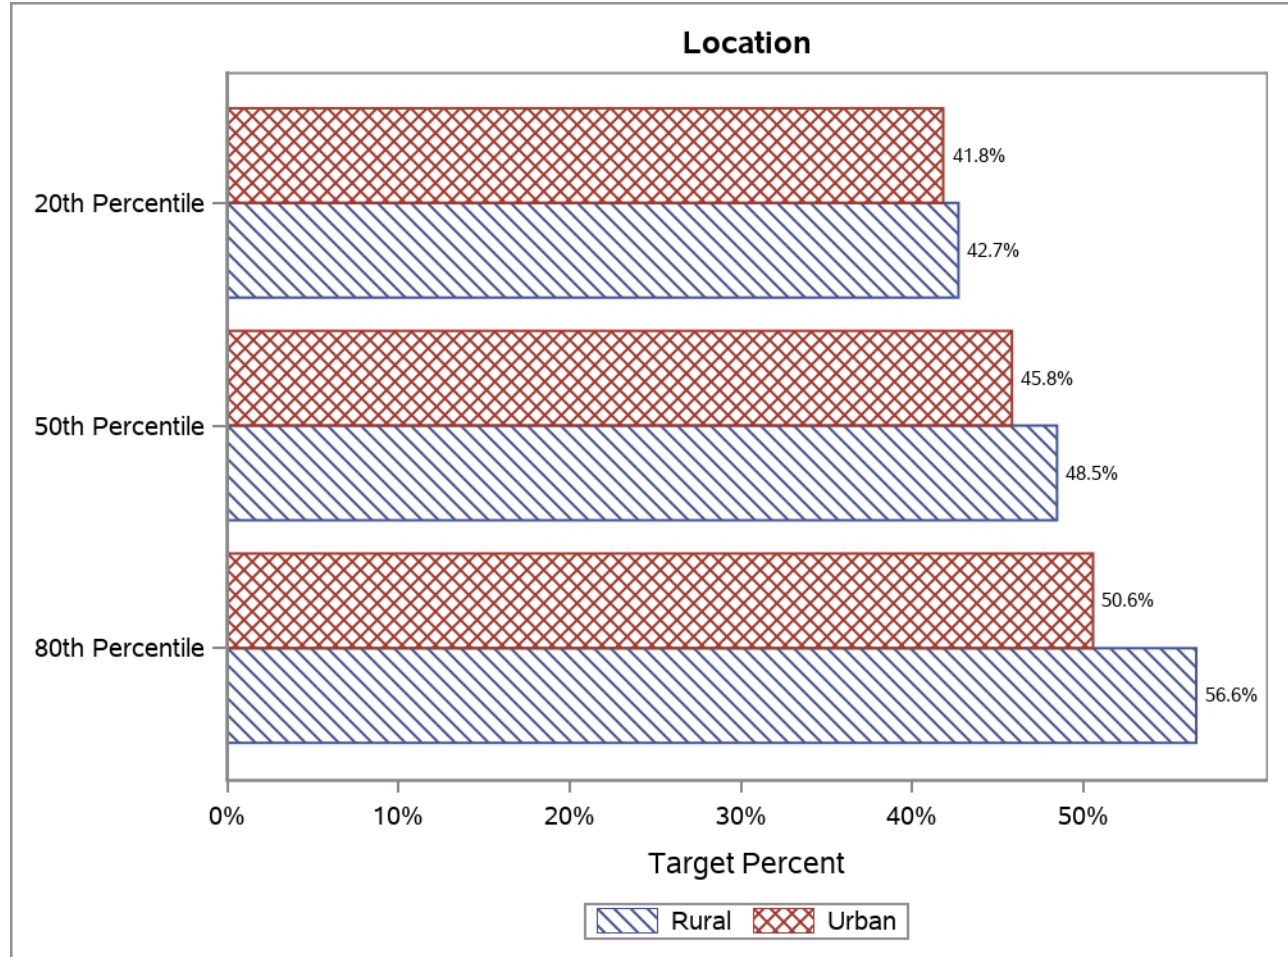

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	55.6%	67.4%	77.8%
Urban	58.3%	67.2%	75.0%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Single CC or MCC - Location

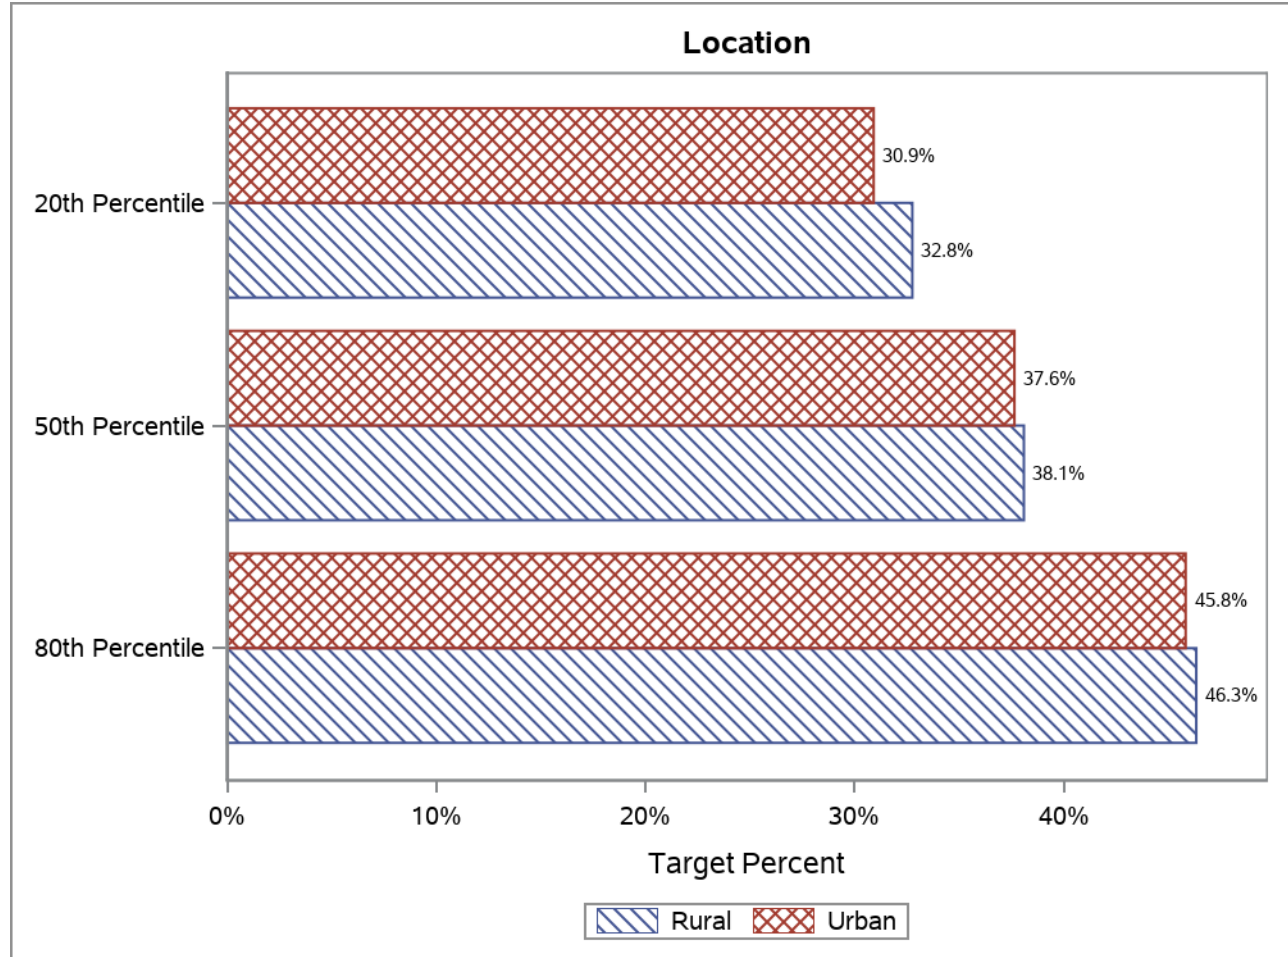

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	42.7%	48.5%	56.6%
Urban	41.8%	45.8%	50.6%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Severe Malnutrition - Location

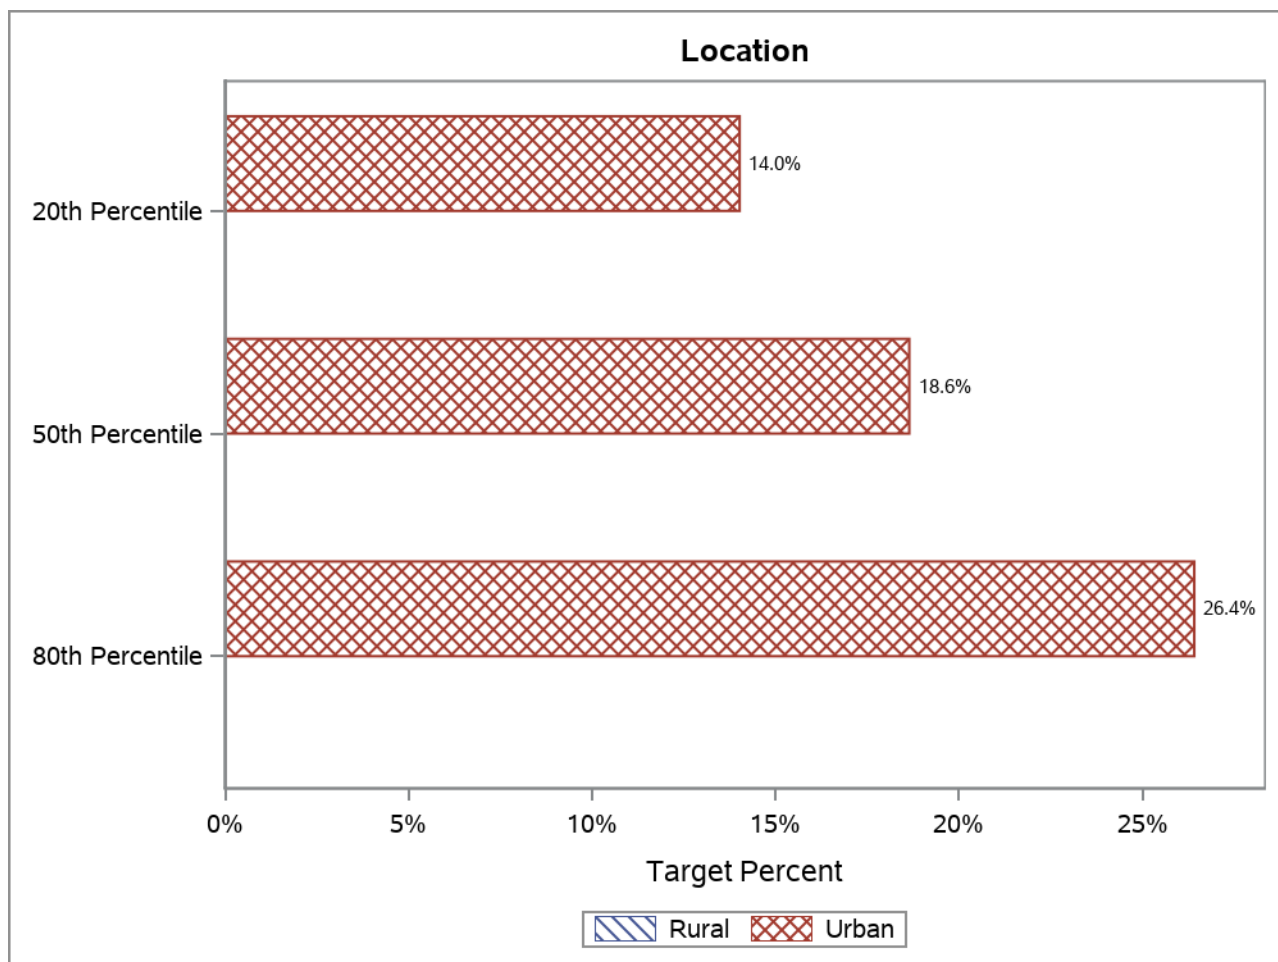

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	32.8%	38.1%	46.3%
Urban	30.9%	37.6%	45.8%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Excisional Debridement - Location

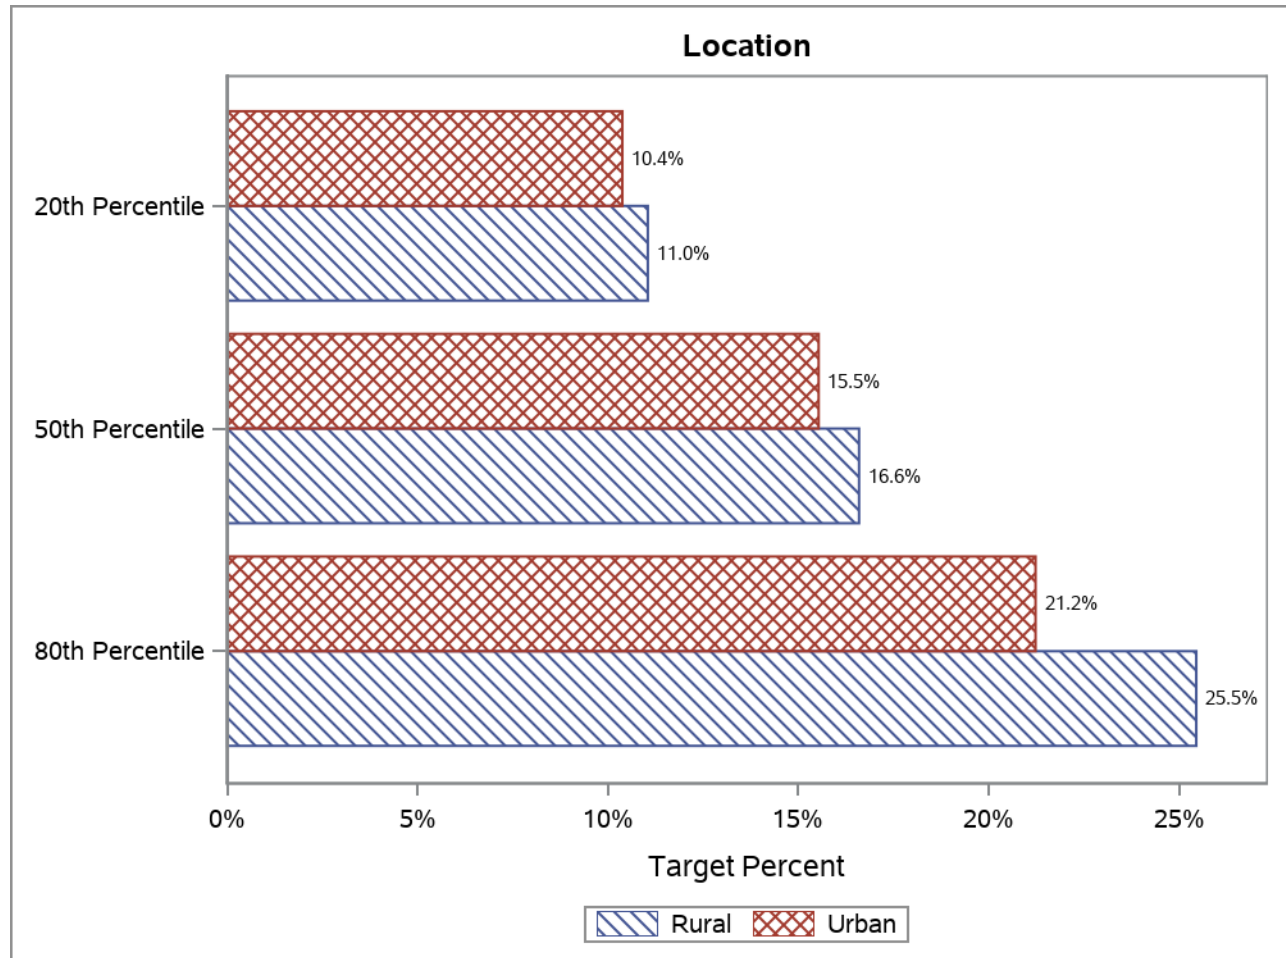

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Urban	14.0%	18.6%	26.4%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Ventilator Support - Location

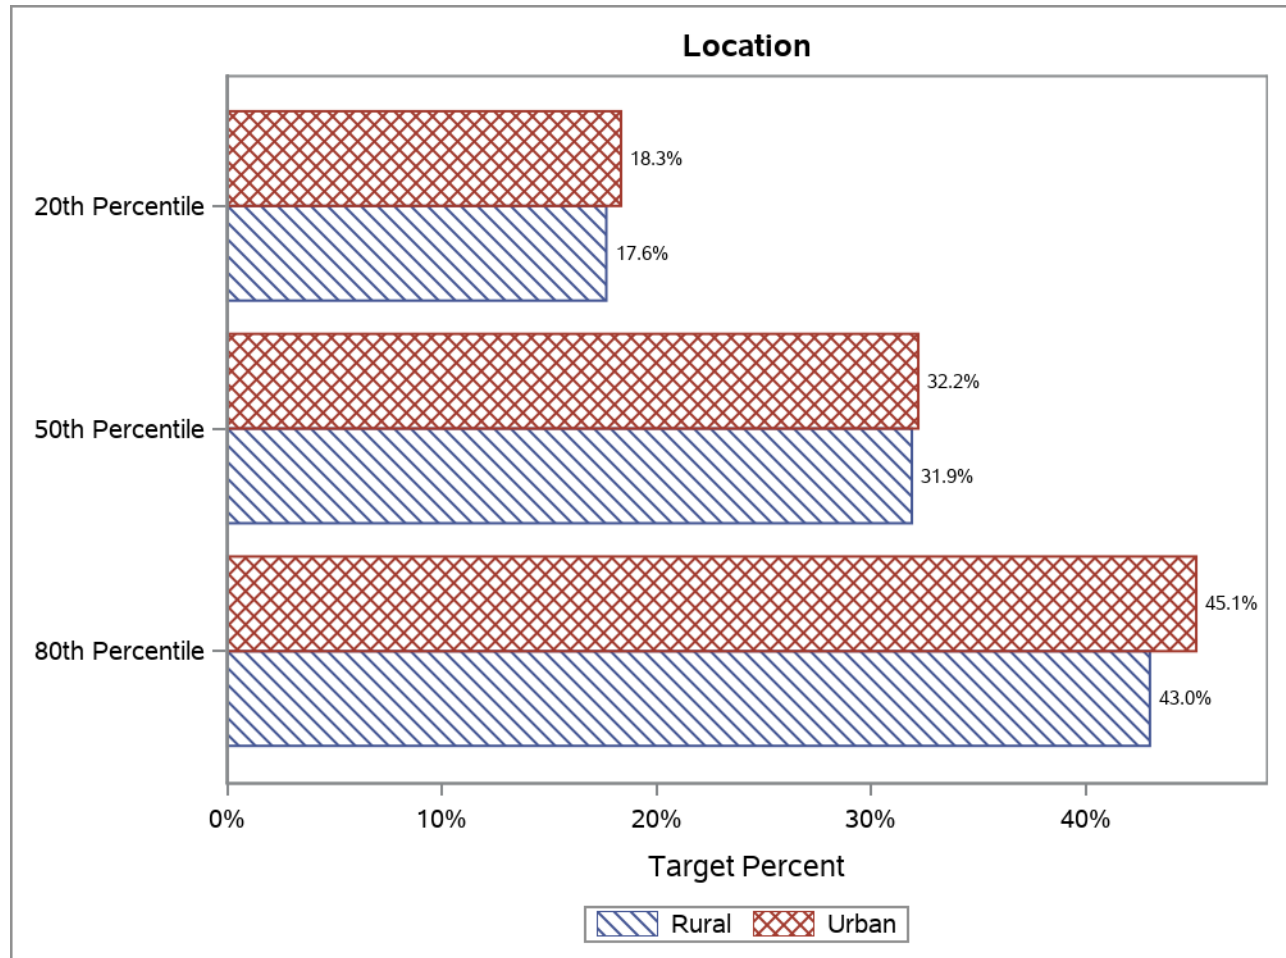

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	11.0%	16.6%	25.5%
Urban	10.4%	15.5%	21.2%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Emergency Department Evaluation and Management Visits - Location

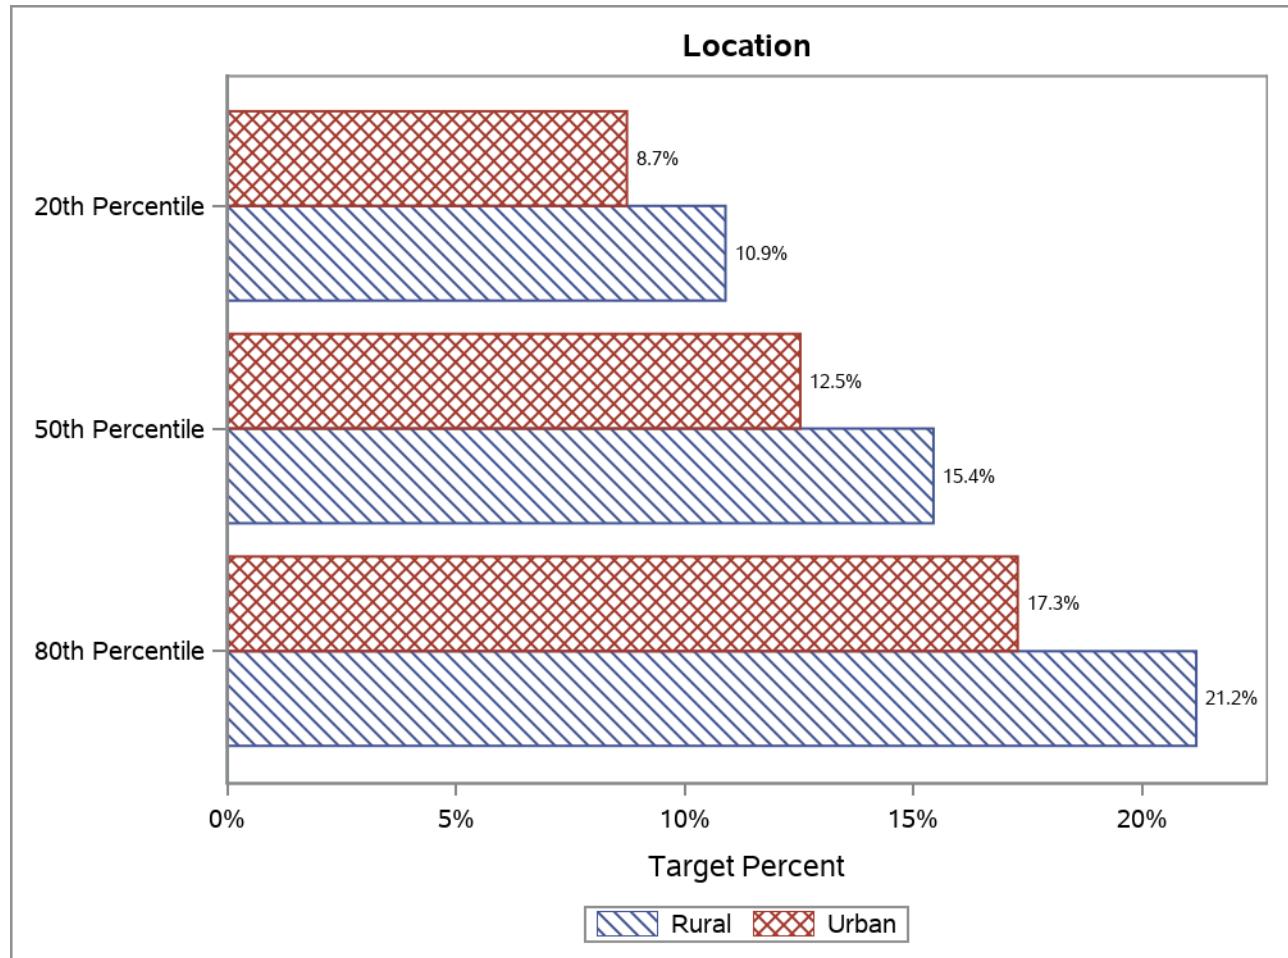

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	17.6%	31.9%	43.0%
Urban	18.3%	32.2%	45.1%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Chronic Obstructive Pulmonary Disease - Location

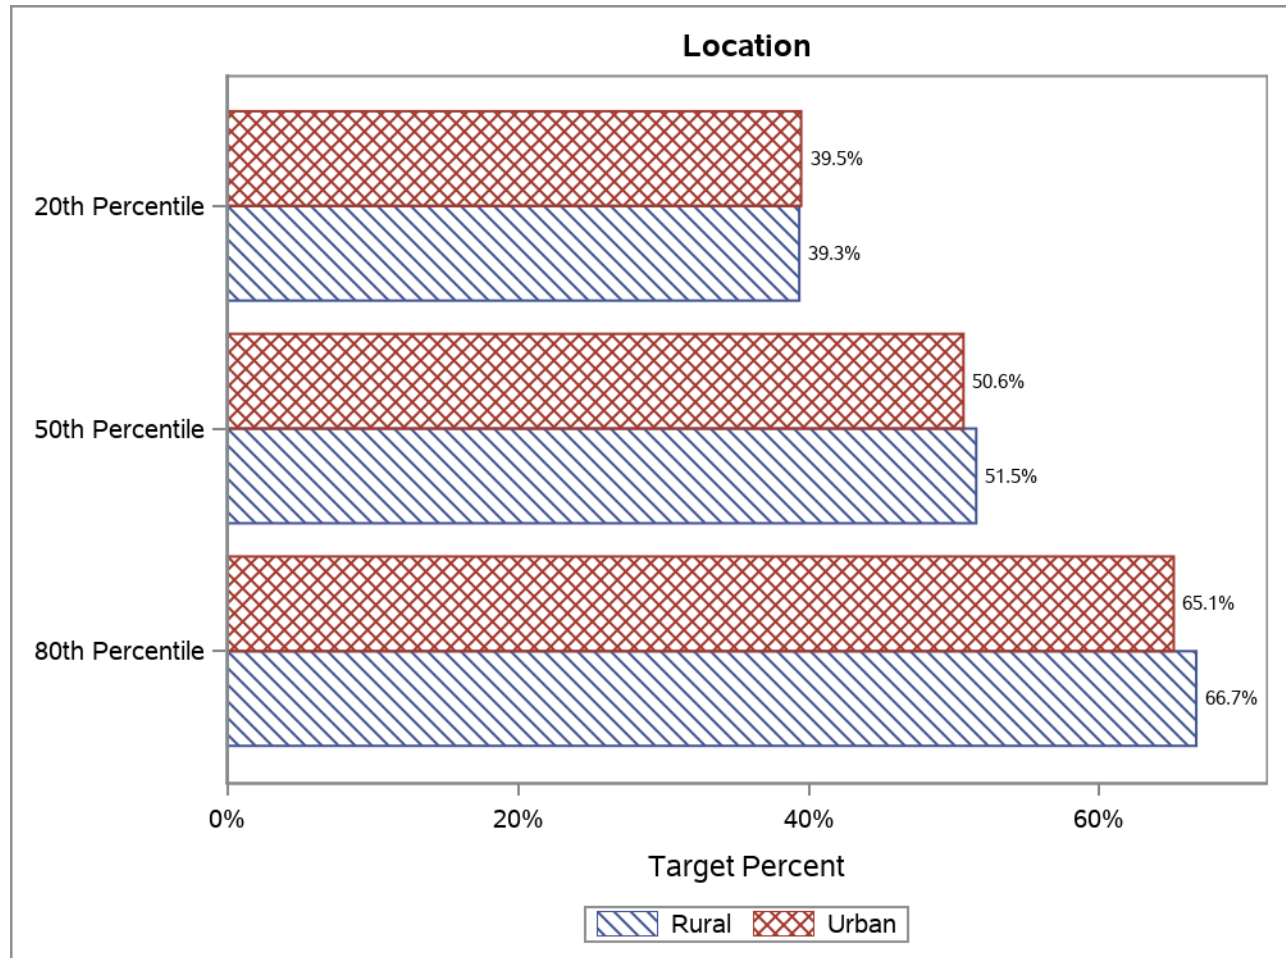

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	10.9%	15.4%	21.2%
Urban	8.7%	12.5%	17.3%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
 Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
 Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Percutaneous Cardiovascular Procedures - Location

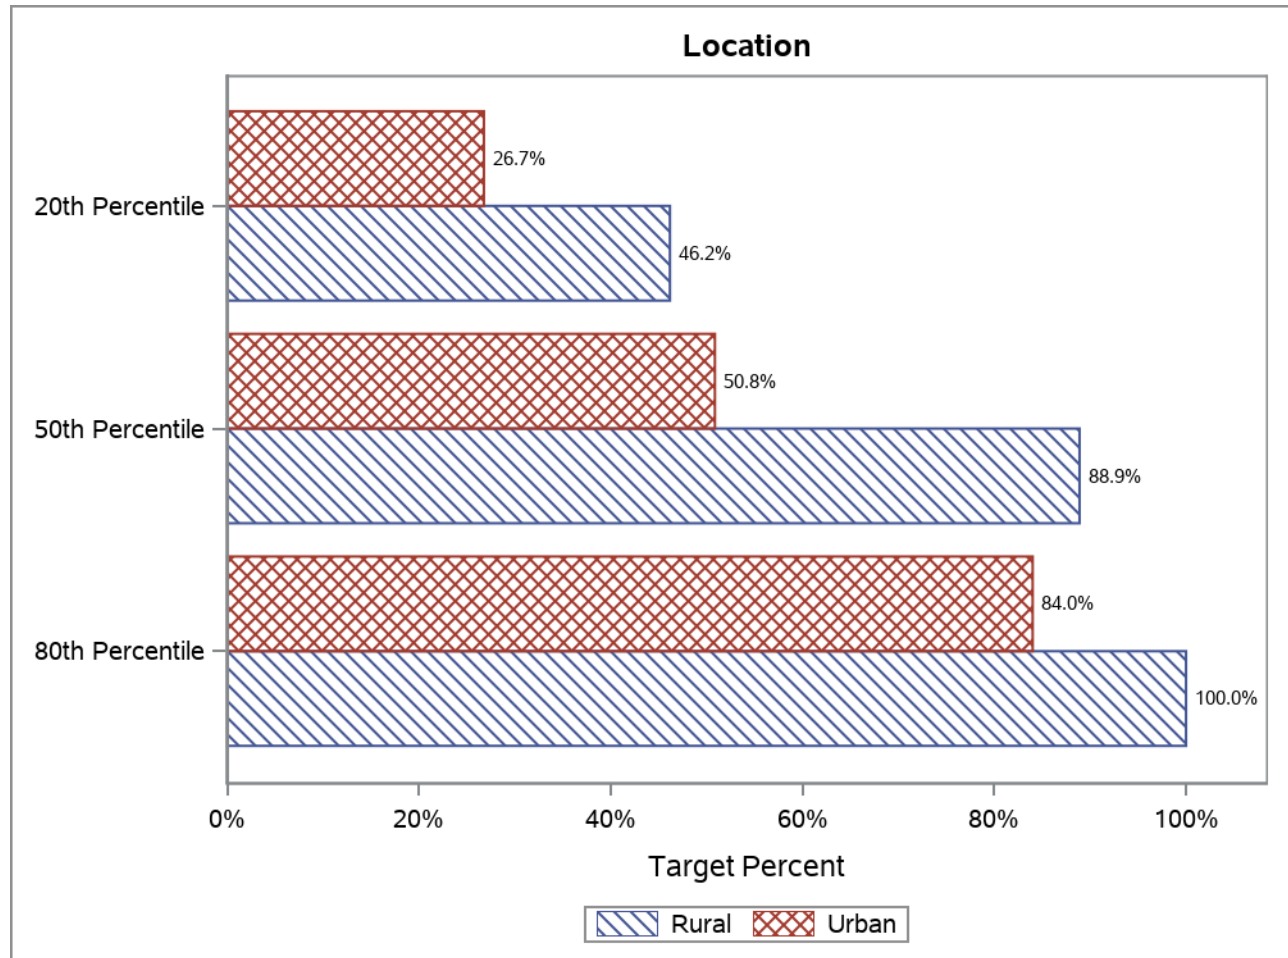

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	39.3%	51.5%	66.7%
Urban	39.5%	50.6%	65.1%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
 Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
 Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Total Knee Replacement - Location

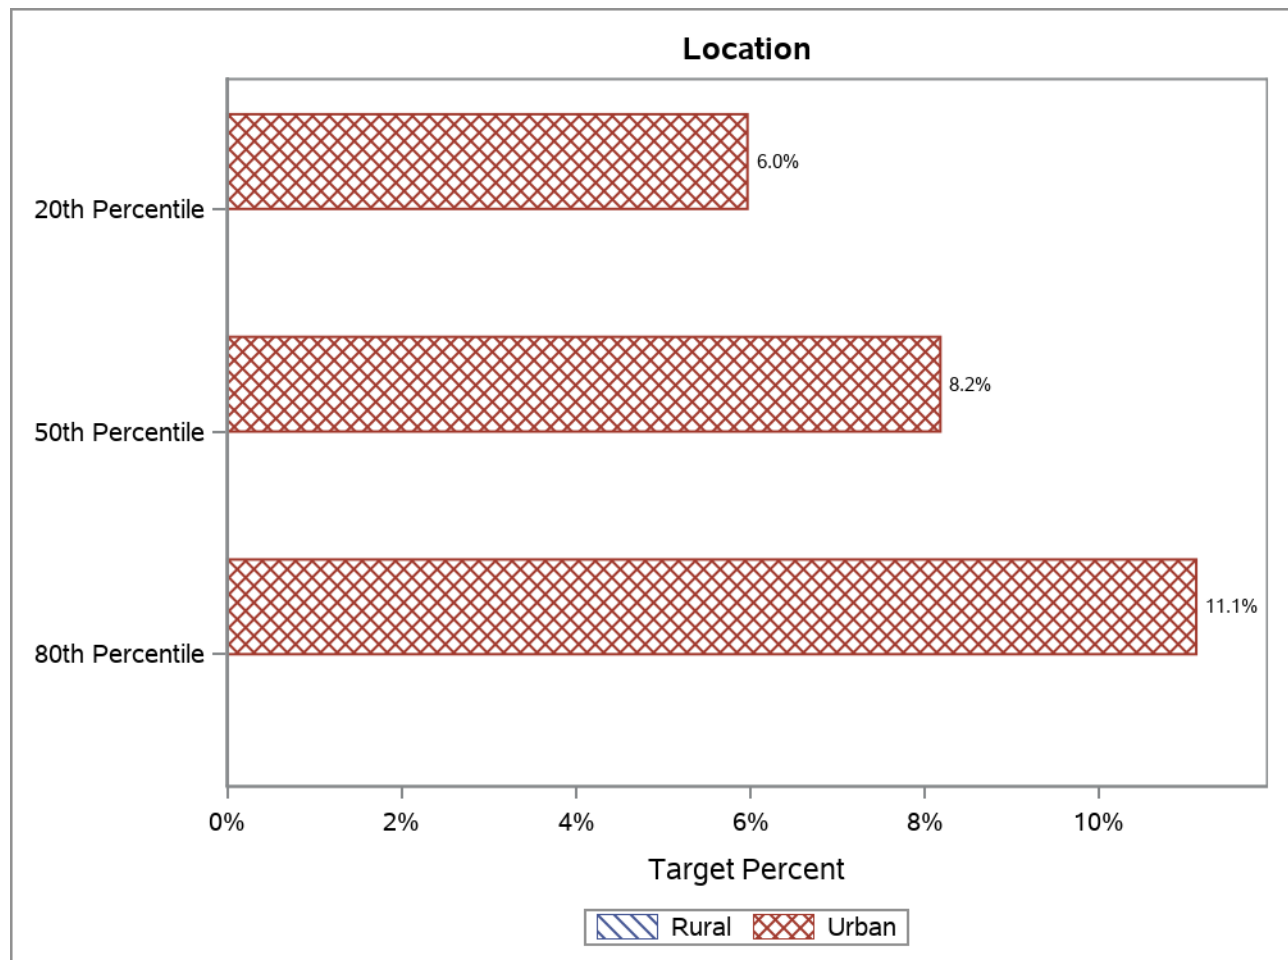

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	46.2%	88.9%	100.0%
Urban	26.7%	50.8%	84.0%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Syncope - Location

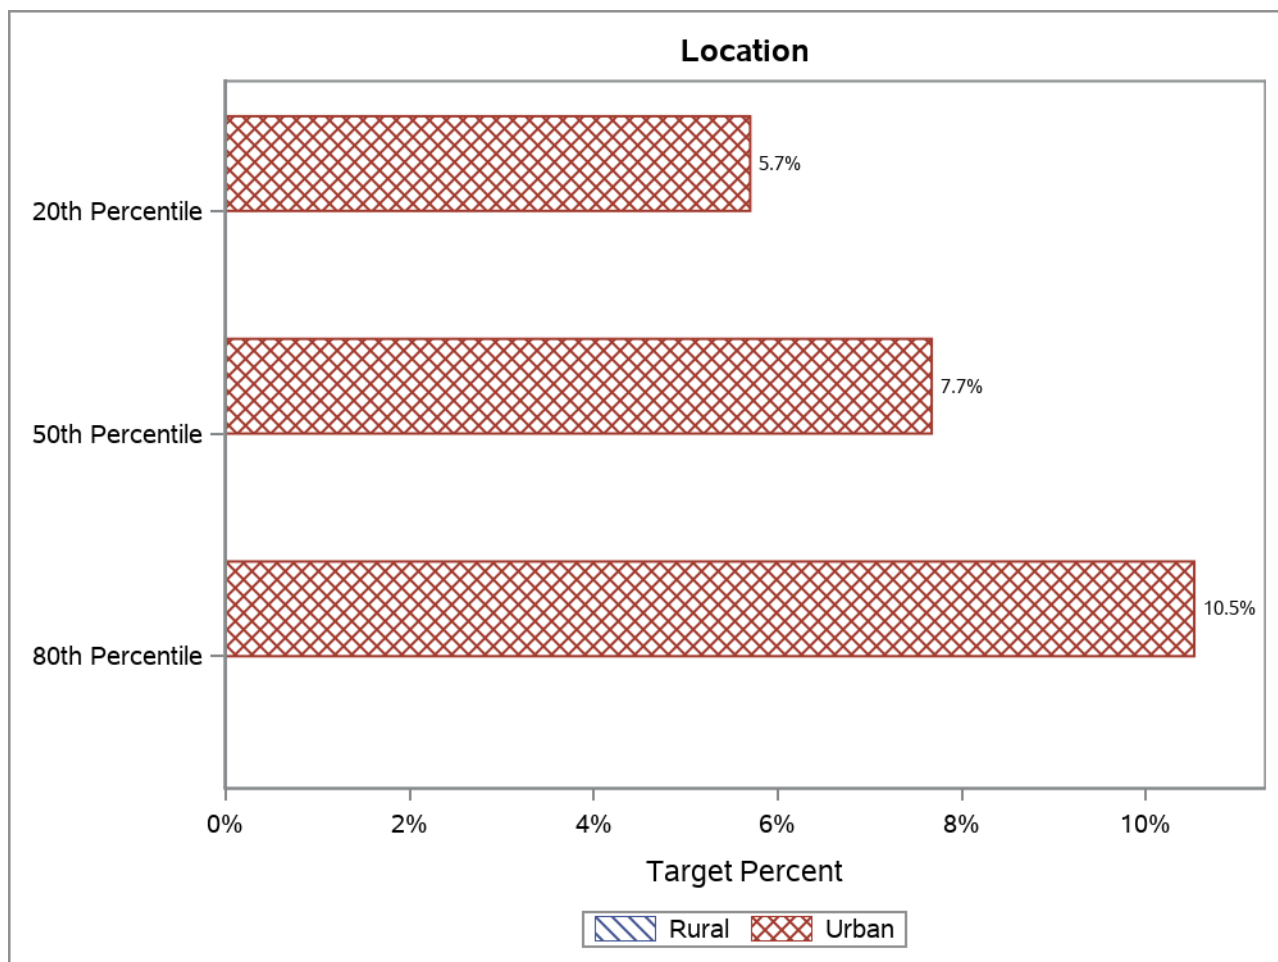

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Urban	6.0%	8.2%	11.1%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Other Circulatory System Diagnoses - Location

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Urban	5.7%	7.7%	10.5%

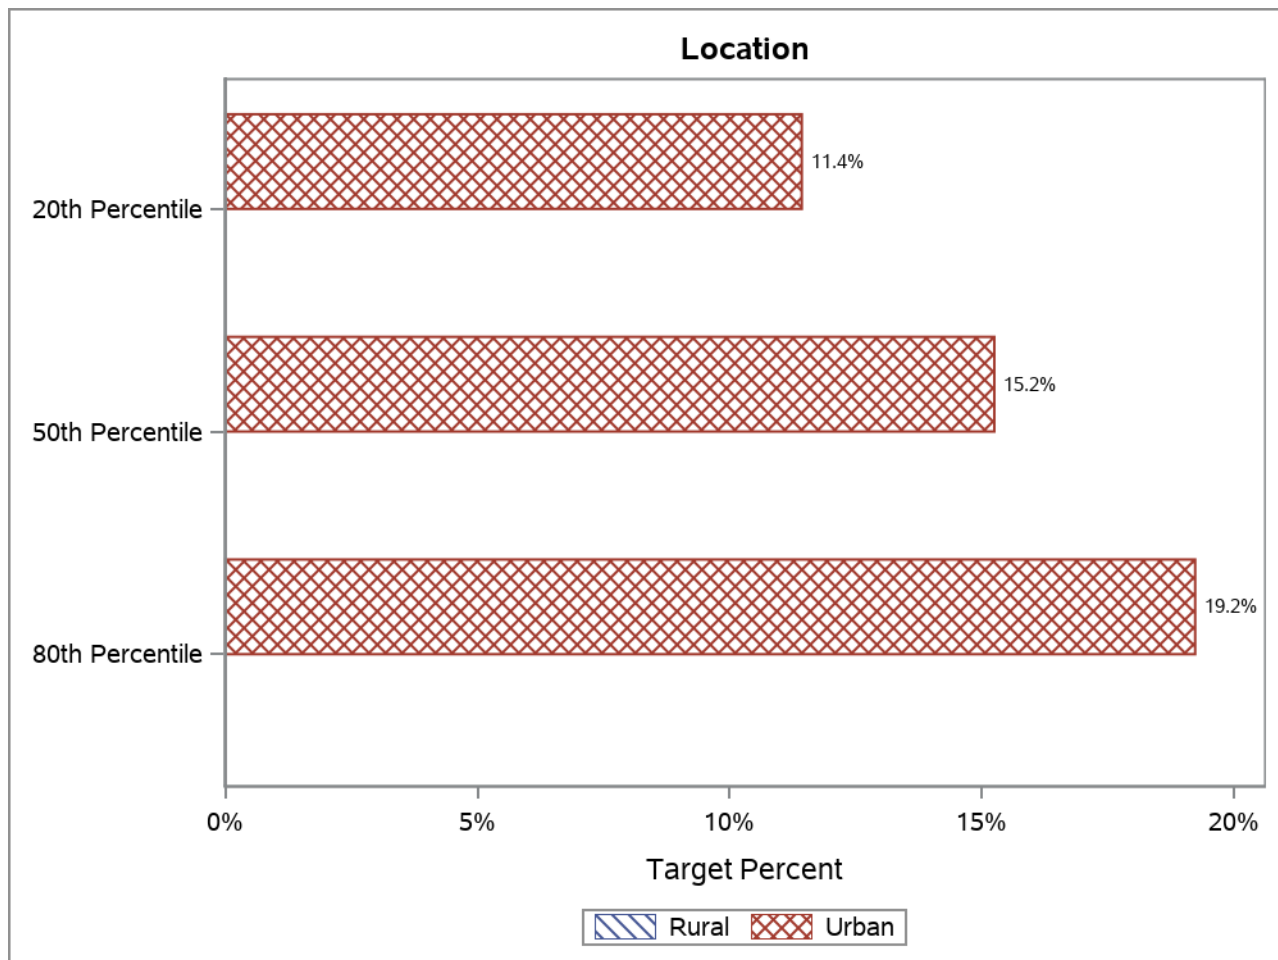

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Other Digestive System Diagnoses - Location

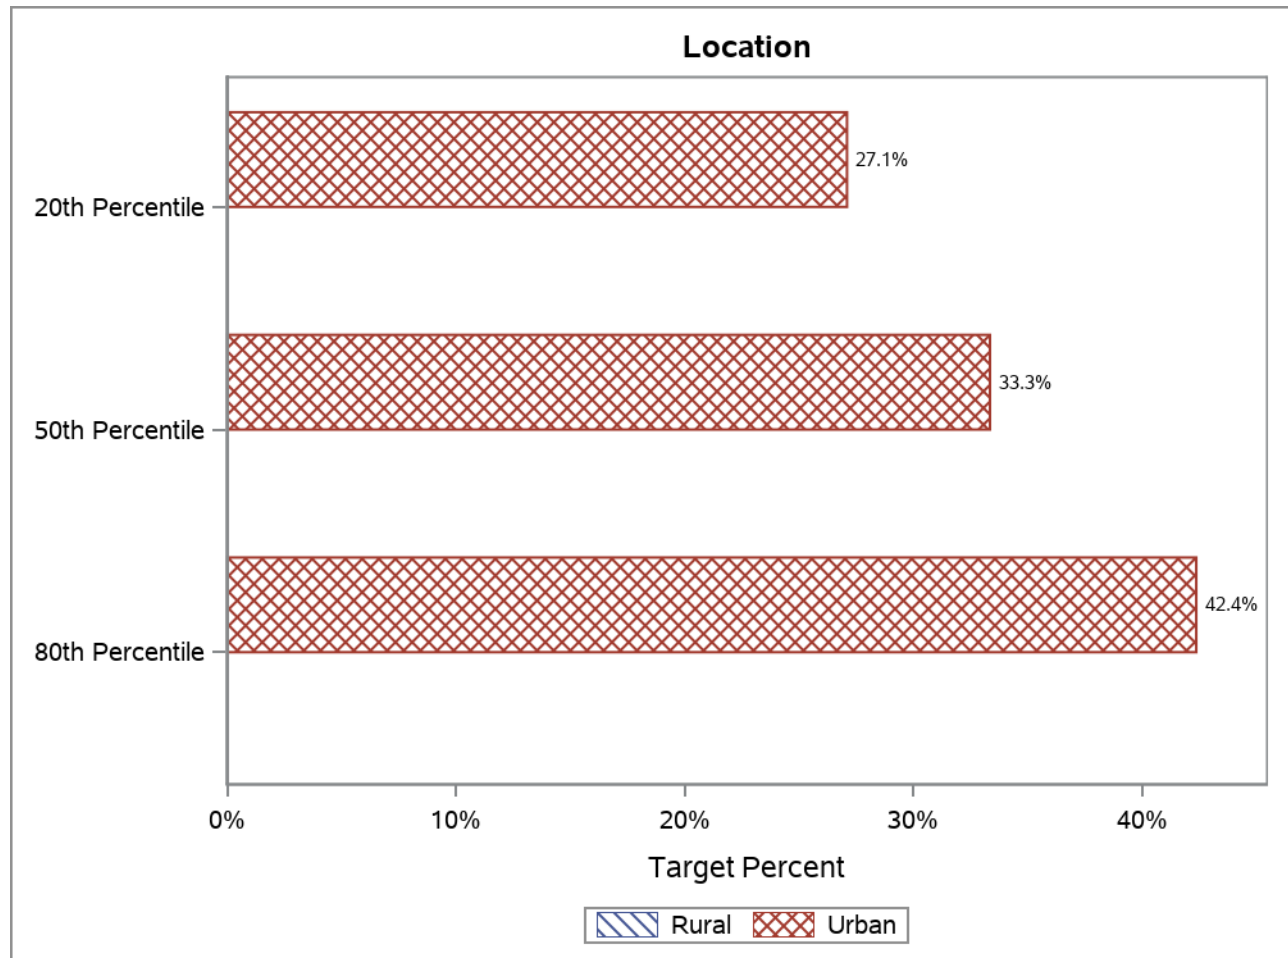

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Urban	11.4%	15.2%	19.2%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Medical Back Problems - Location

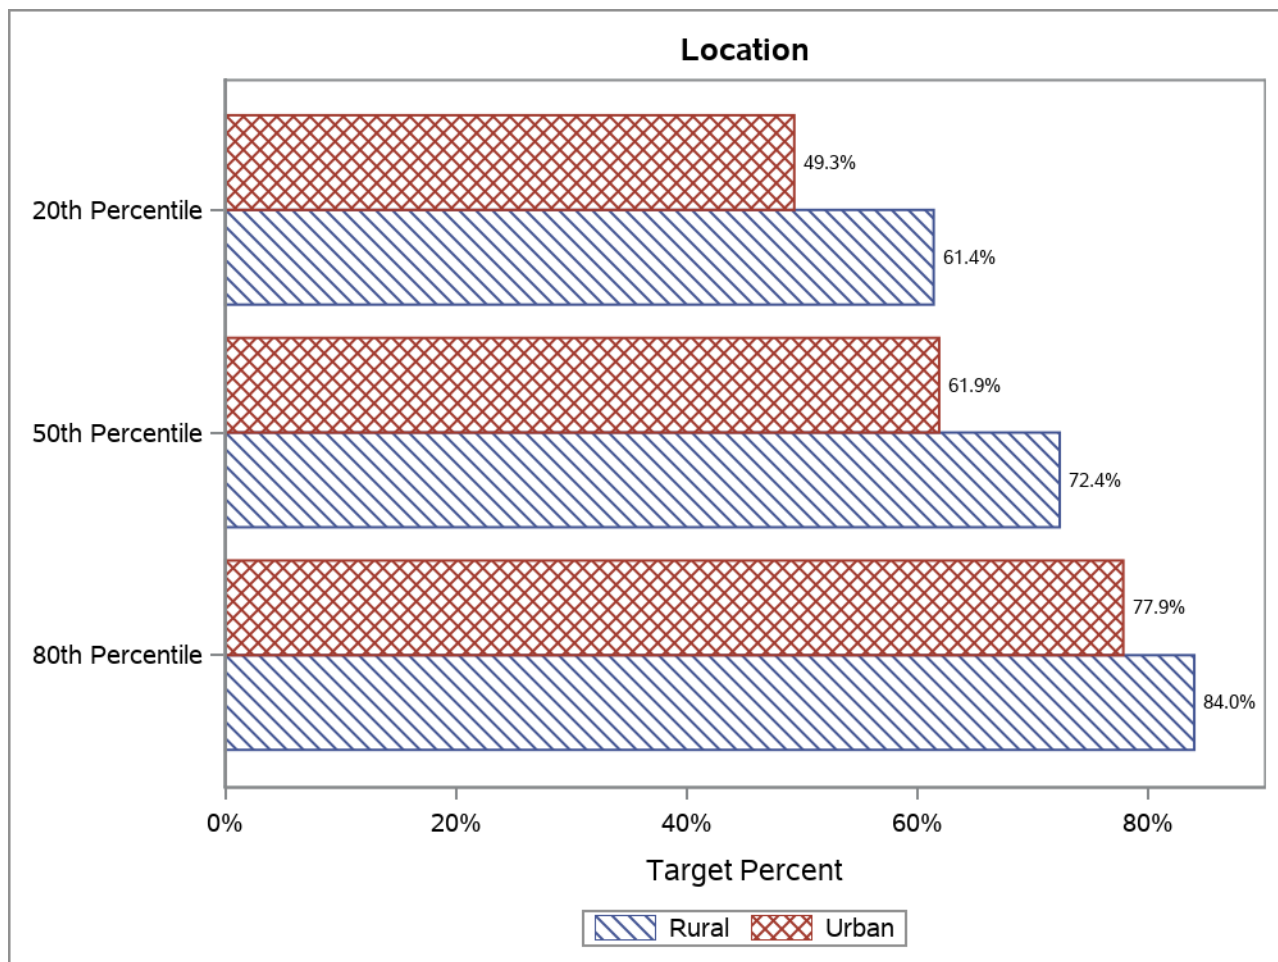

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Urban	27.1%	33.3%	42.4%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Spinal Fusion - Location

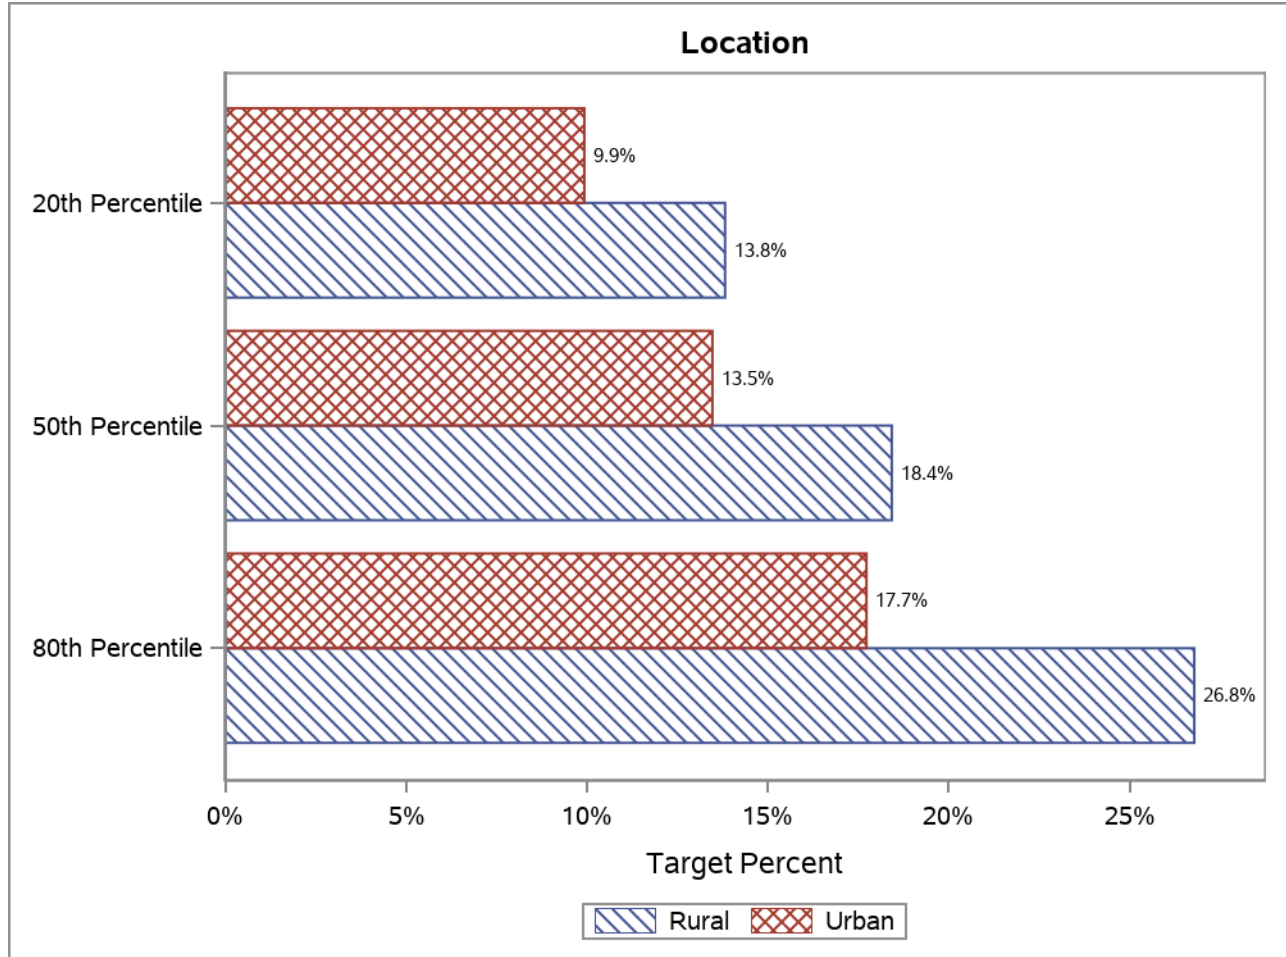

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	61.4%	72.4%	84.0%
Urban	49.3%	61.9%	77.9%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Three-Day Skilled Nursing Facility-Qualifying Admissions - Location

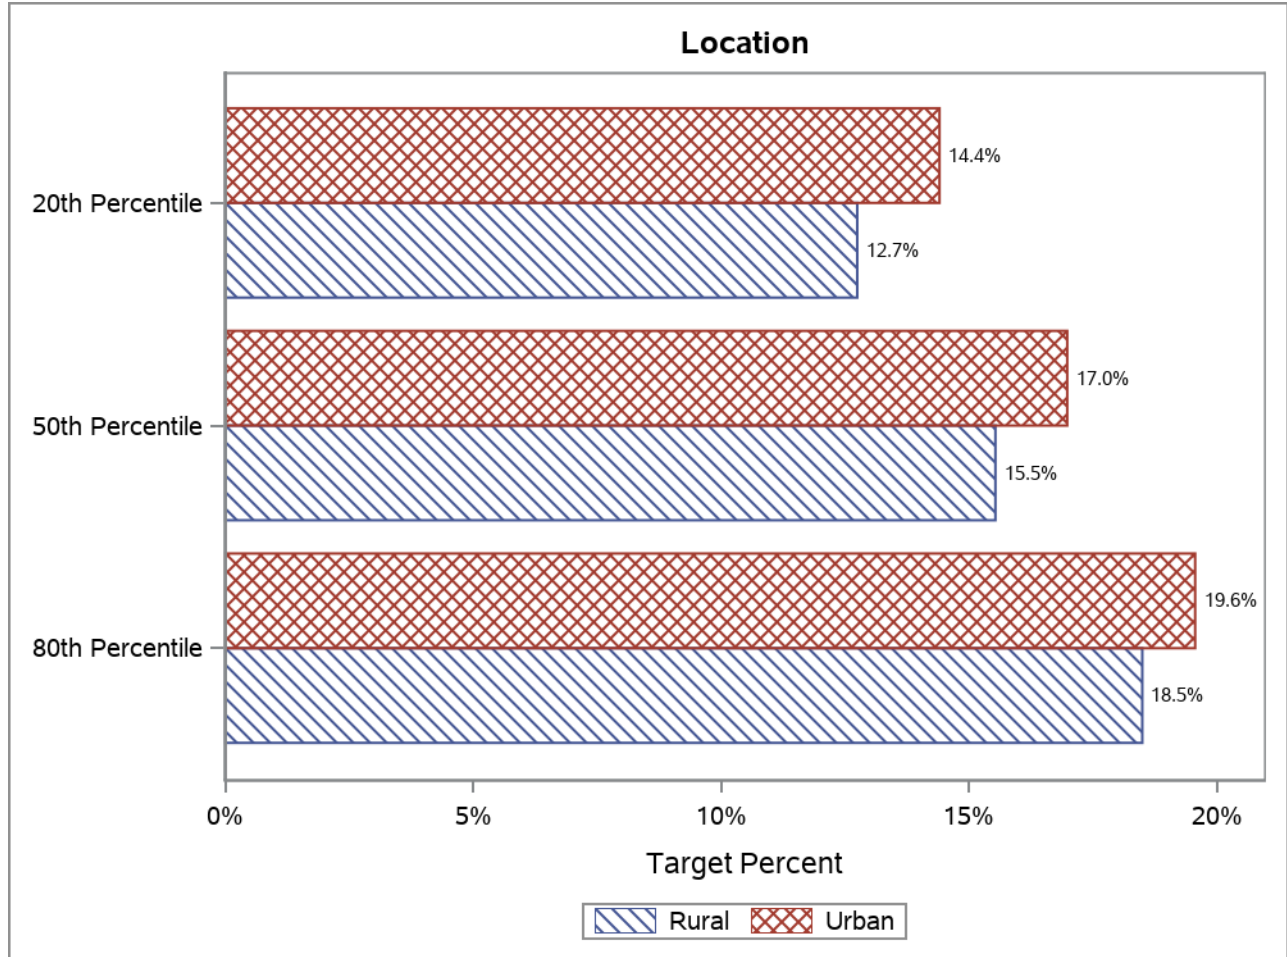

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	13.8%	18.4%	26.8%
Urban	9.9%	13.5%	17.7%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: 30-Day Readmissions to Same Hospital or Elsewhere - Location

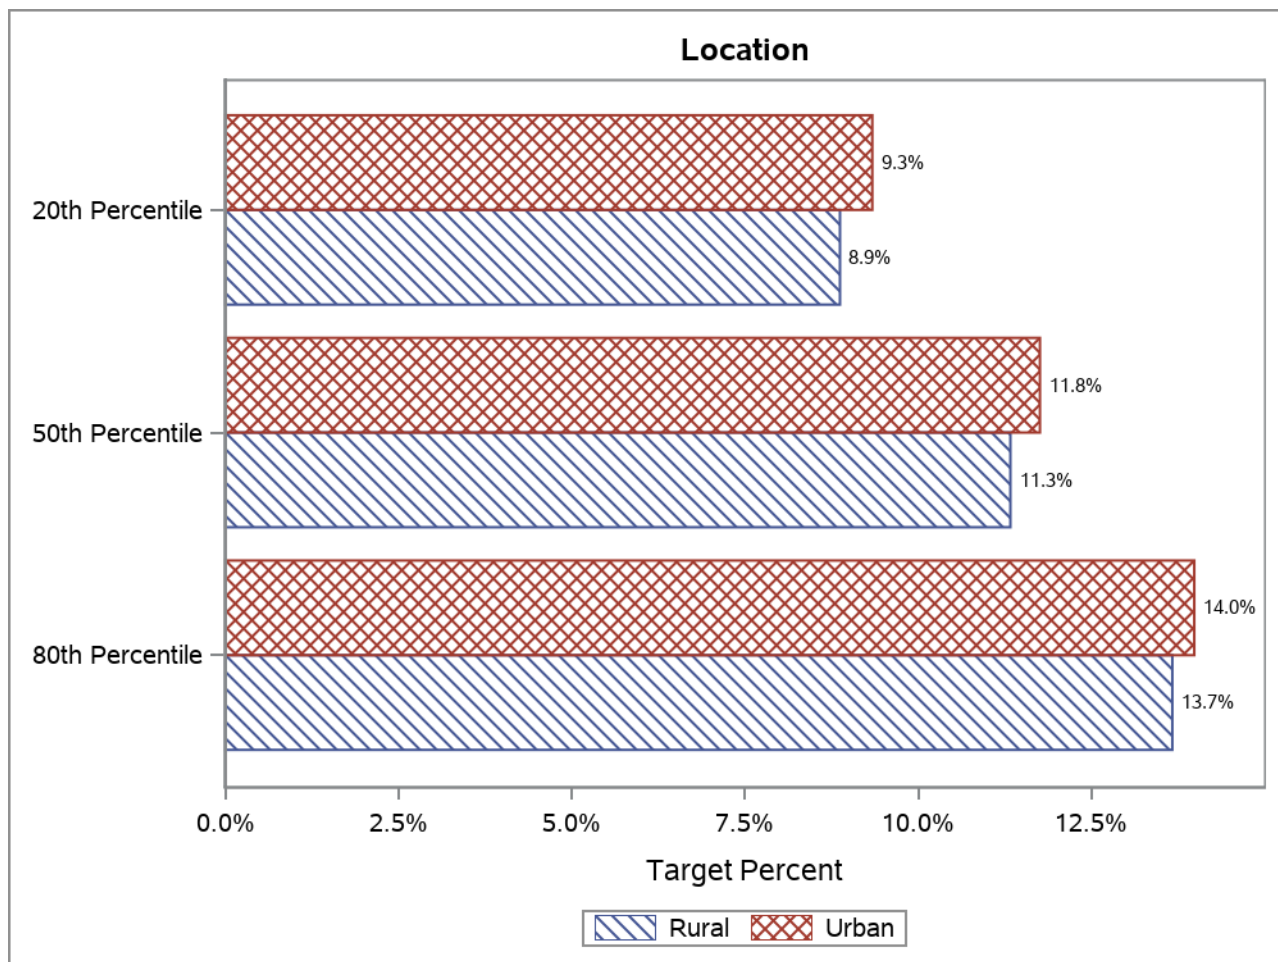

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	12.7%	15.5%	18.5%
Urban	14.4%	17.0%	19.6%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
 Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
 Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: 30-Day Readmissions to Same Hospital - Location

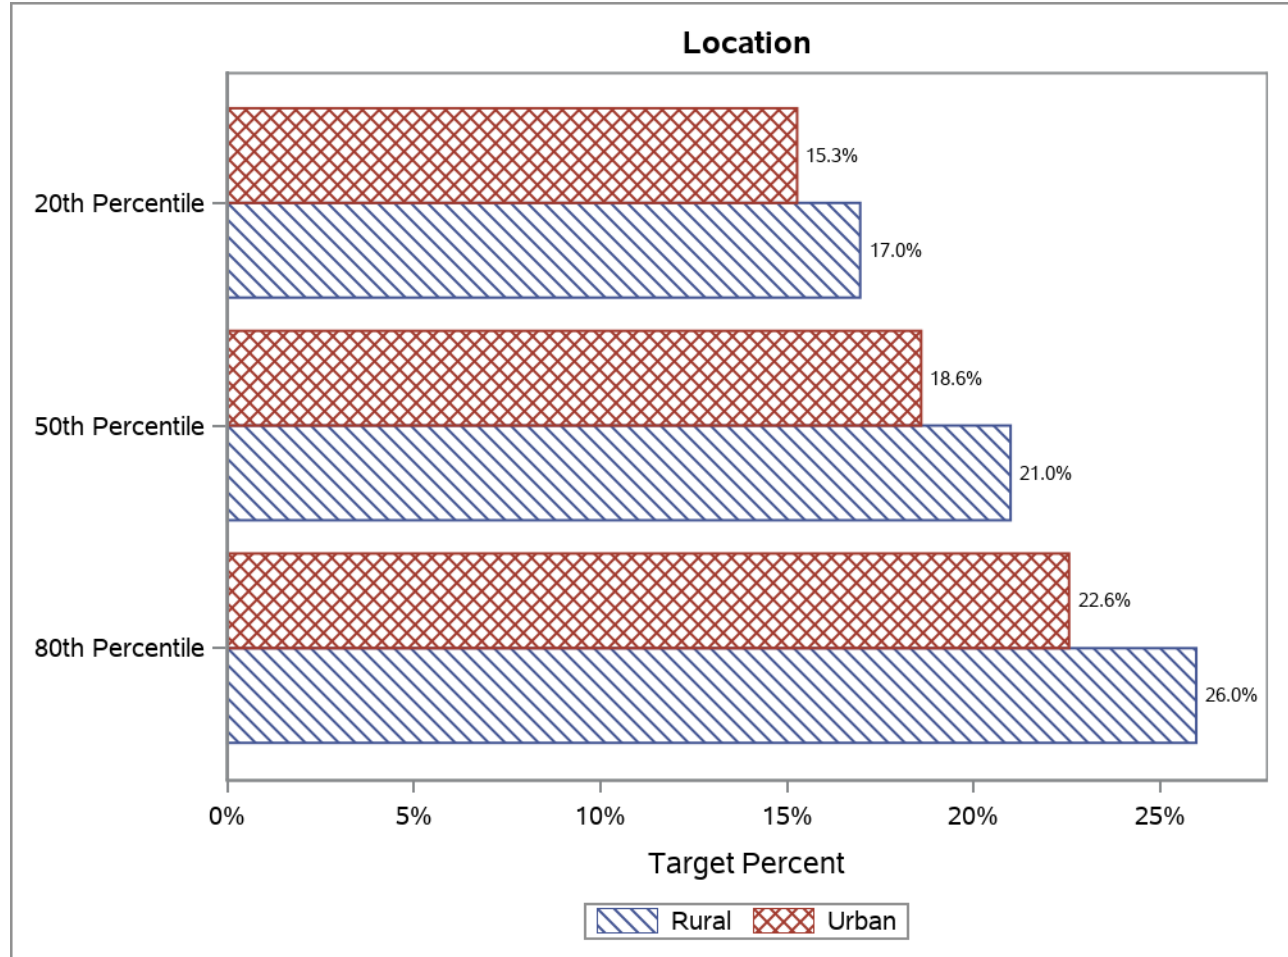

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	8.9%	11.3%	13.7%
Urban	9.3%	11.8%	14.0%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Two-Day Stays for Medical DRGs - Location

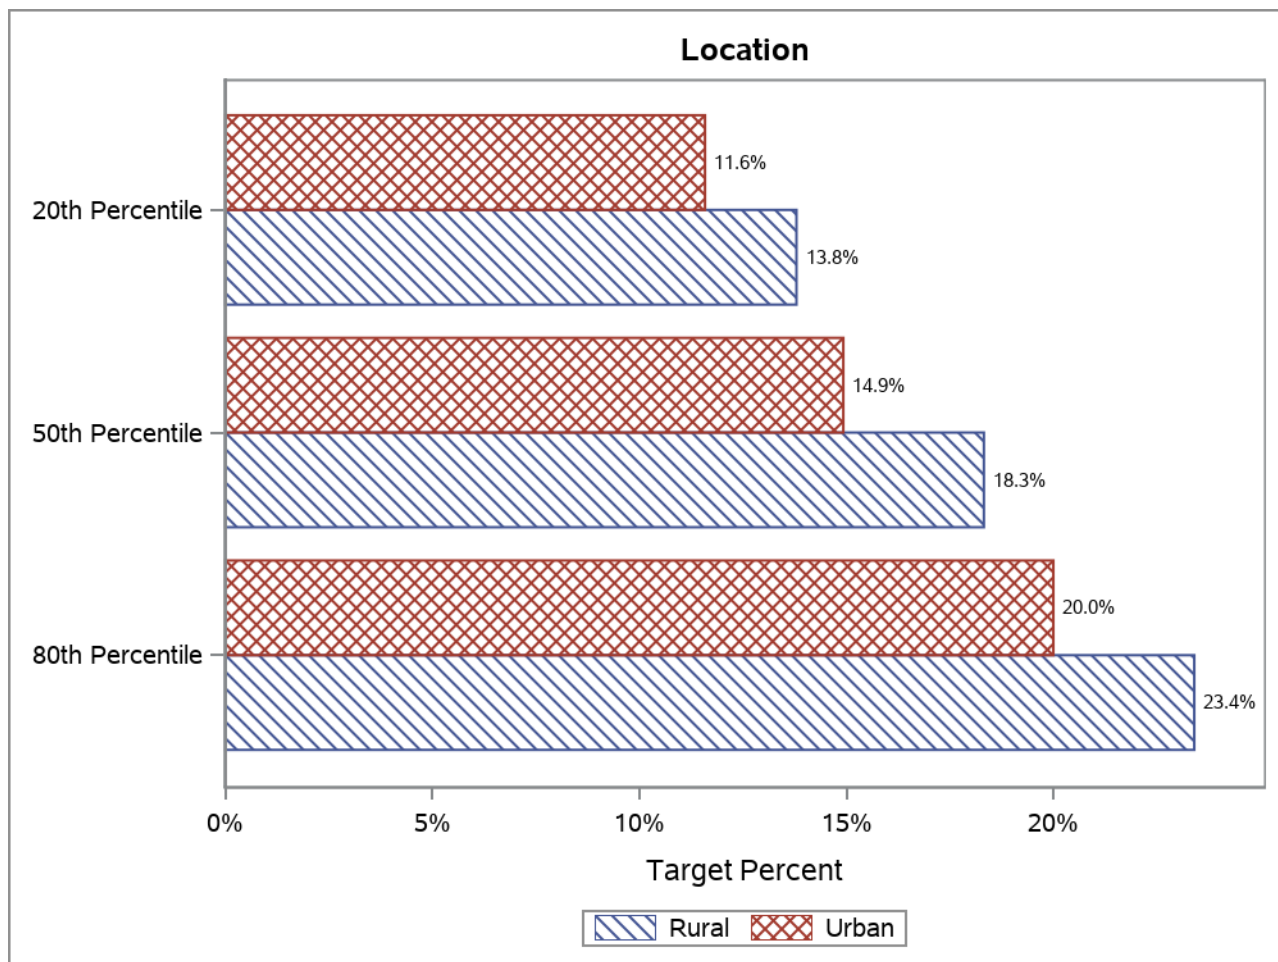

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	17.0%	21.0%	26.0%
Urban	15.3%	18.6%	22.6%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Two-Day Stays for Surgical DRGs - Location

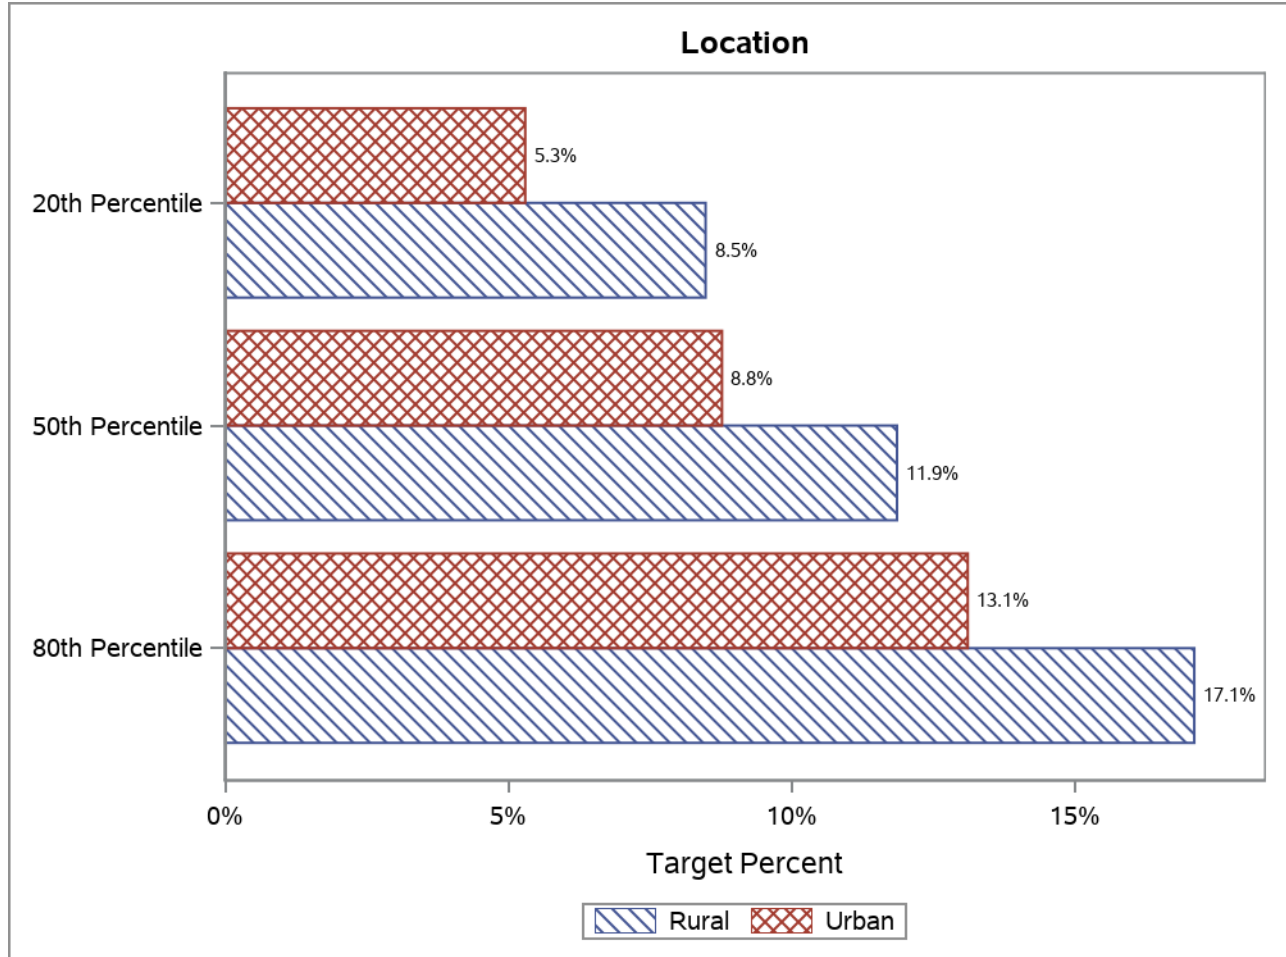

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	13.8%	18.3%	23.4%
Urban	11.6%	14.9%	20.0%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: One-Day Stays for Medical DRGs - Location

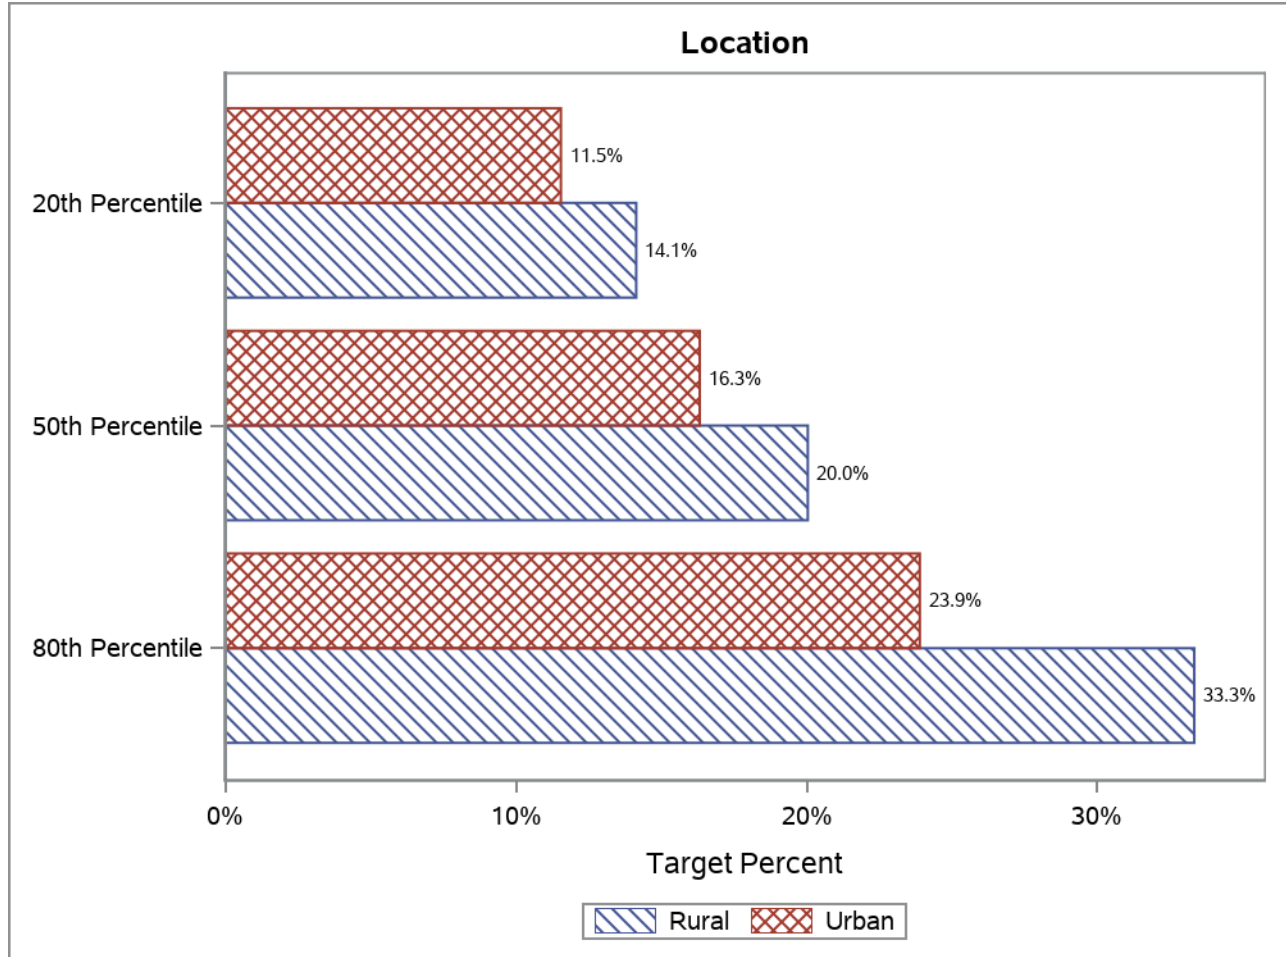

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	8.5%	11.9%	17.1%
Urban	5.3%	8.8%	13.1%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
 Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
 Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: One-Day Stays for Surgical DRGs - Location

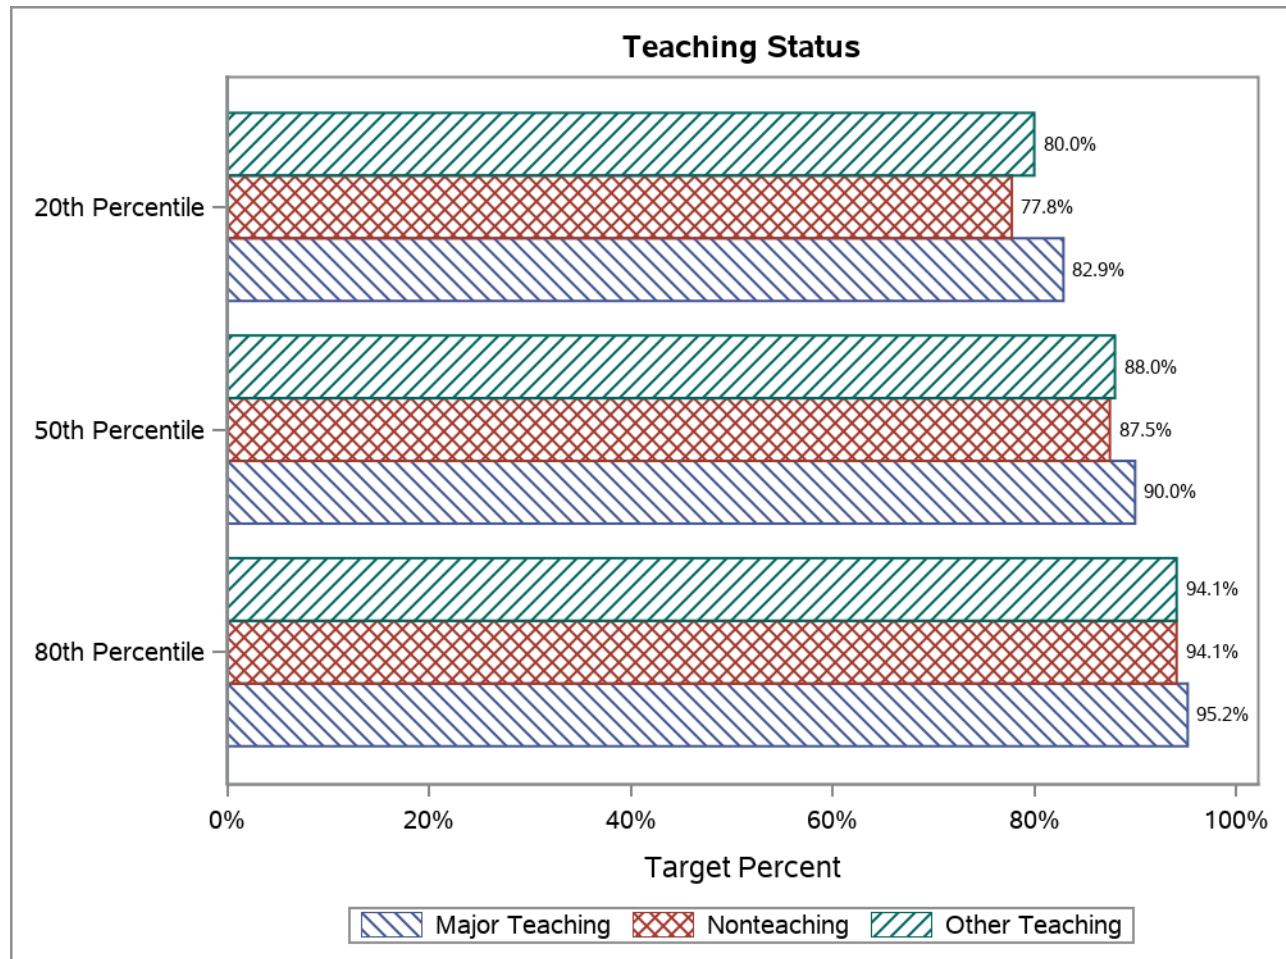

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Rural	14.1%	20.0%	33.3%
Urban	11.5%	16.3%	23.9%

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
 Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.
 Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Stroke Intracranial Hemorrhage - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	82.9%	90.0%	95.2%
Nonteaching	77.8%	87.5%	94.1%
Other Teaching	80.0%	88.0%	94.1%

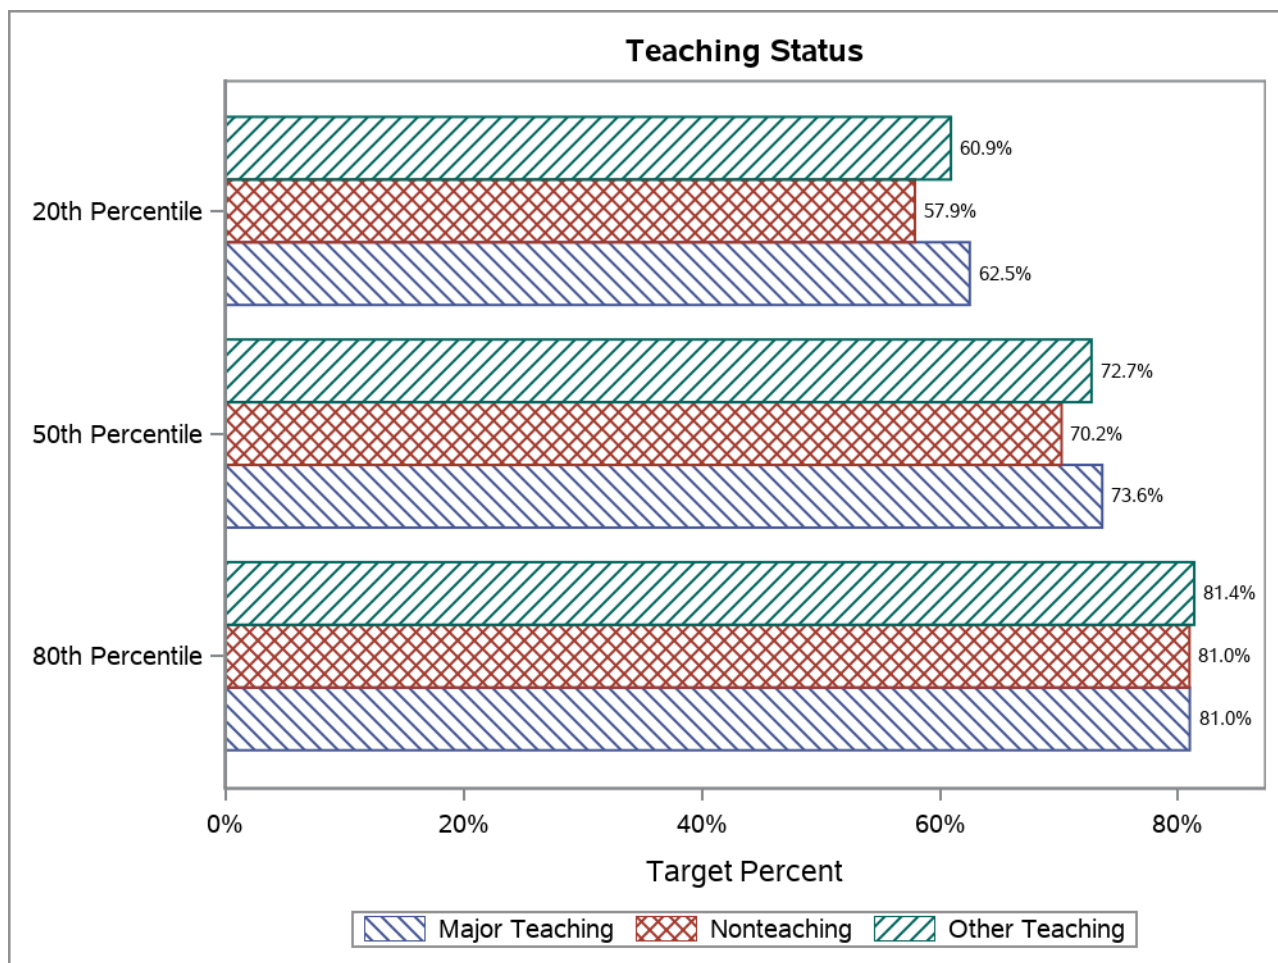

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Respiratory Infections - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	62.5%	73.6%	81.0%
Nonteaching	57.9%	70.2%	81.0%
Other Teaching	60.9%	72.7%	81.4%

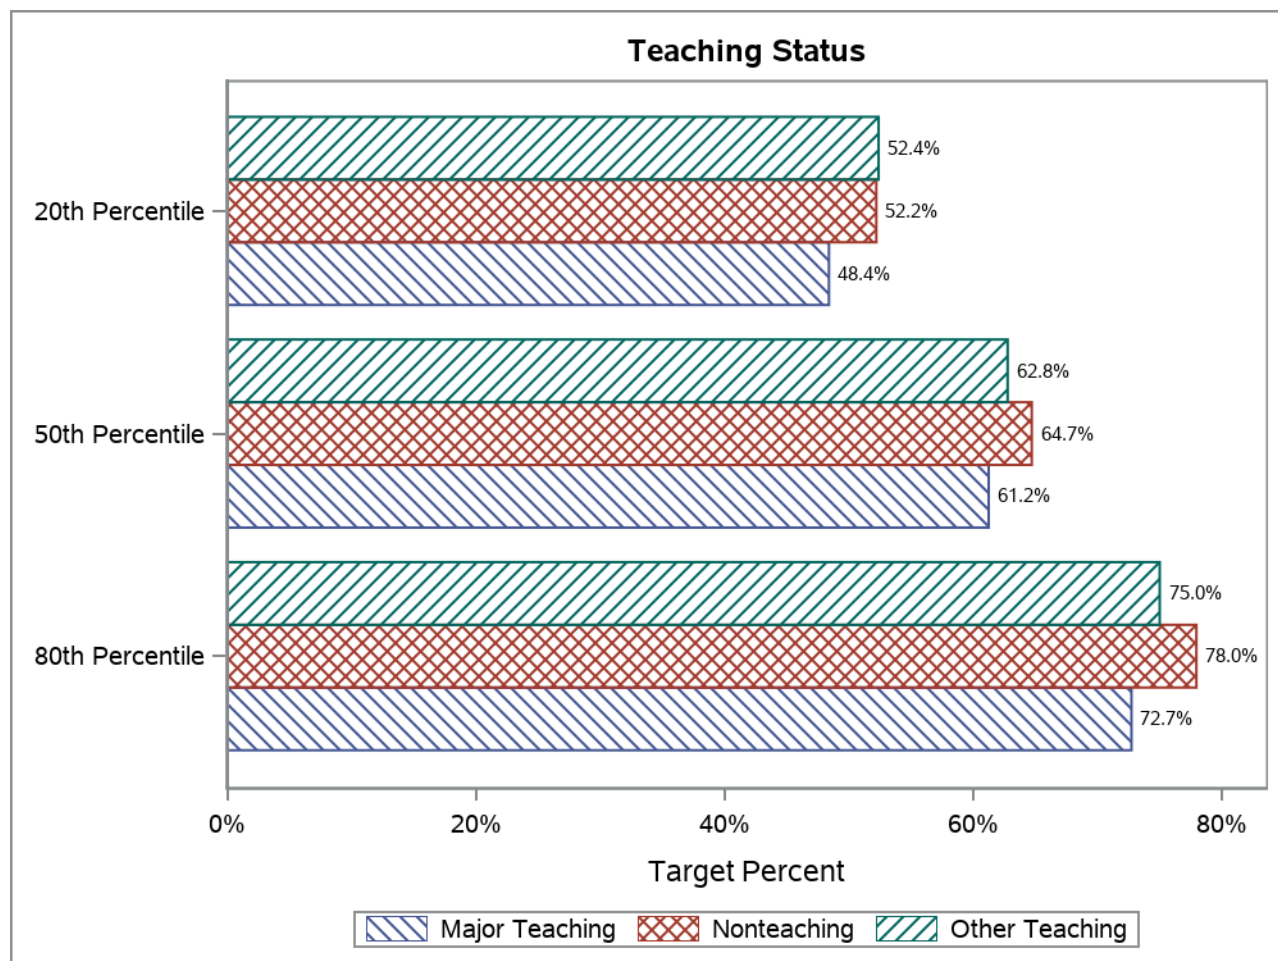

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Simple Pneumonia - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	48.4%	61.2%	72.7%
Nonteaching	52.2%	64.7%	78.0%
Other Teaching	52.4%	62.8%	75.0%

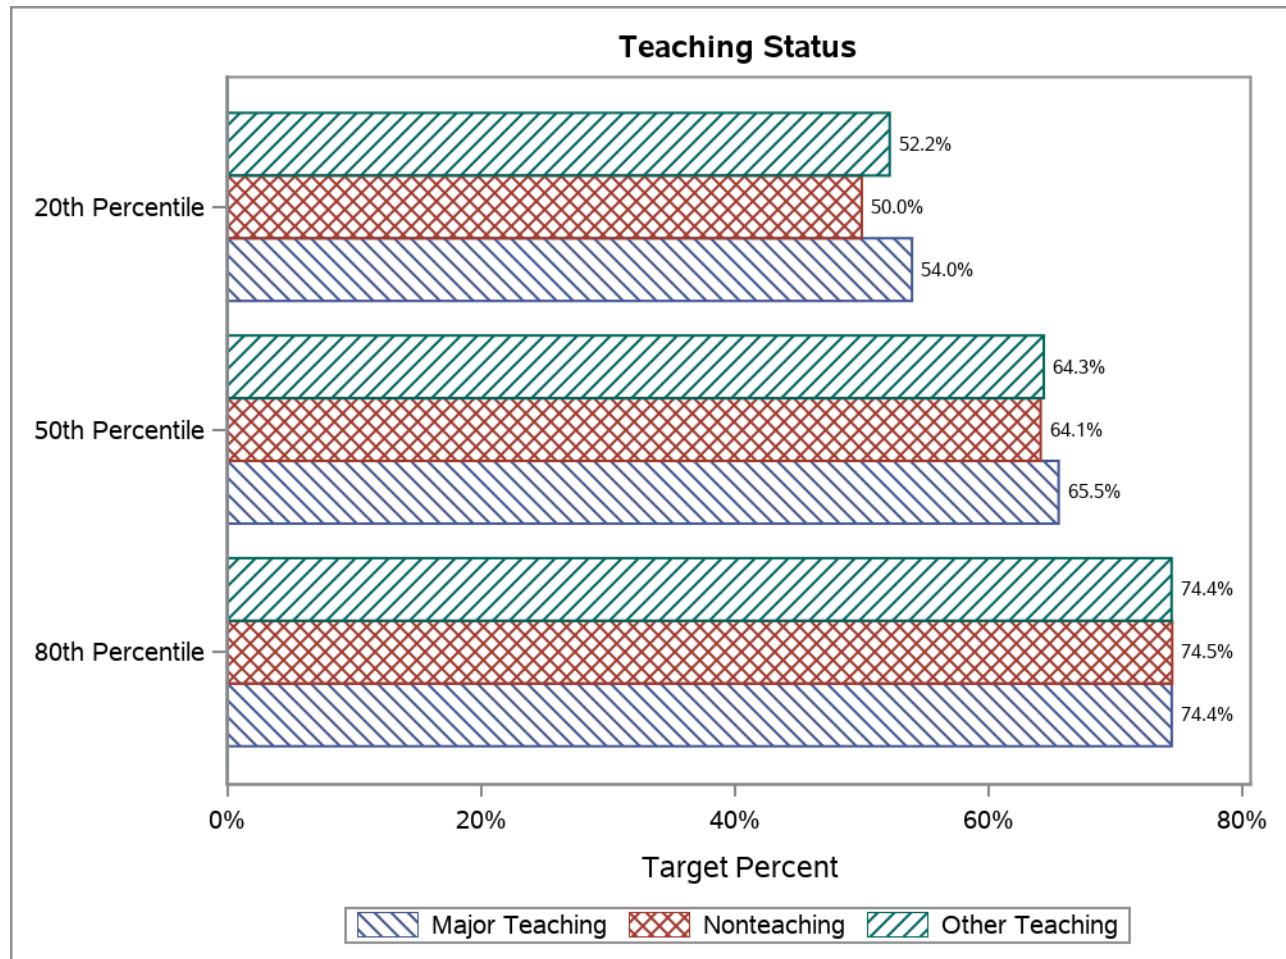

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Septicemia - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	54.0%	65.5%	74.4%
Nonteaching	50.0%	64.1%	74.5%
Other Teaching	52.2%	64.3%	74.4%

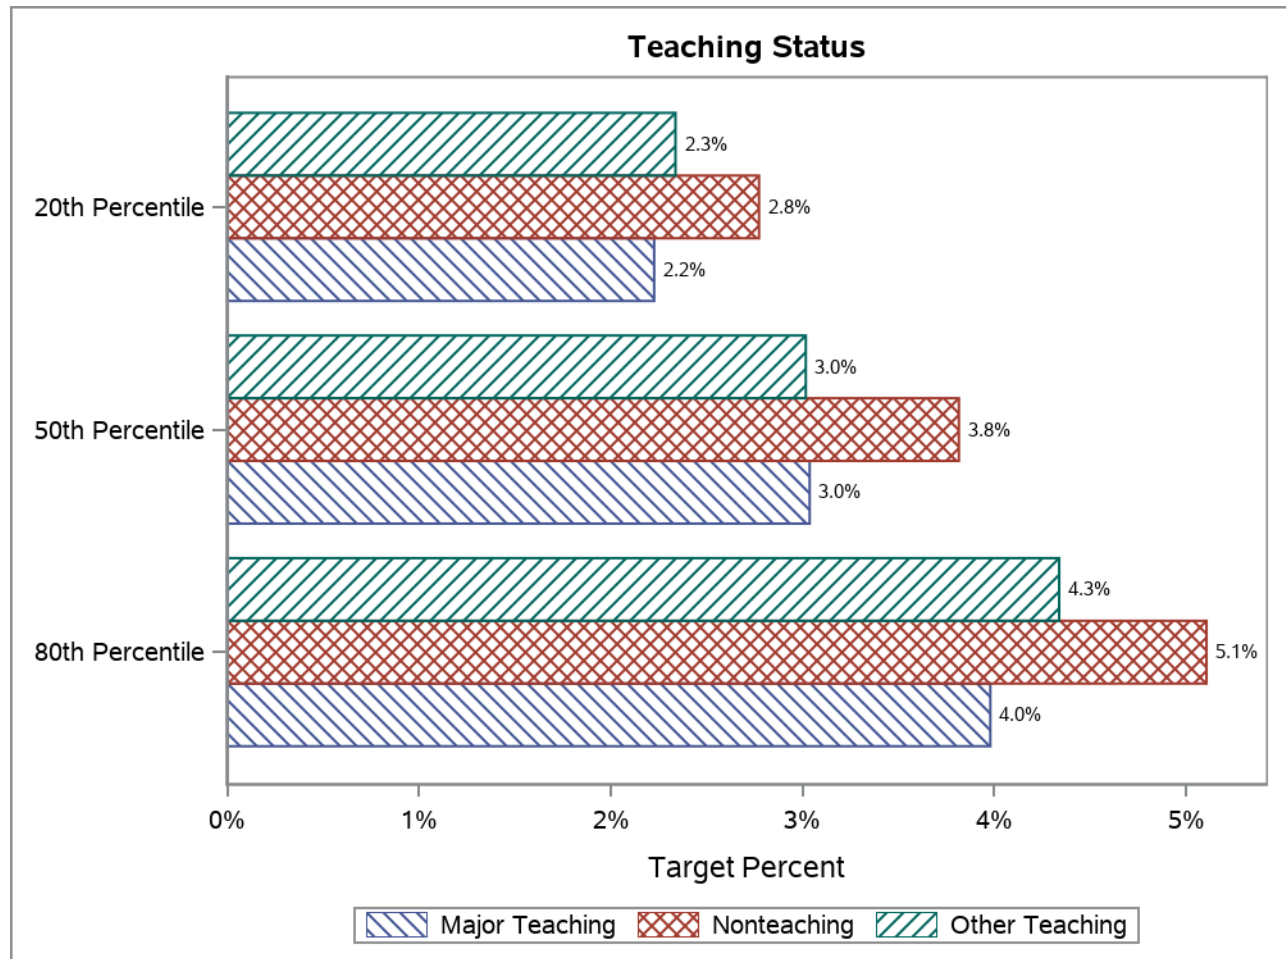

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Unrelated OR Procedure - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	2.2%	3.0%	4.0%
Nonteaching	2.8%	3.8%	5.1%
Other Teaching	2.3%	3.0%	4.3%

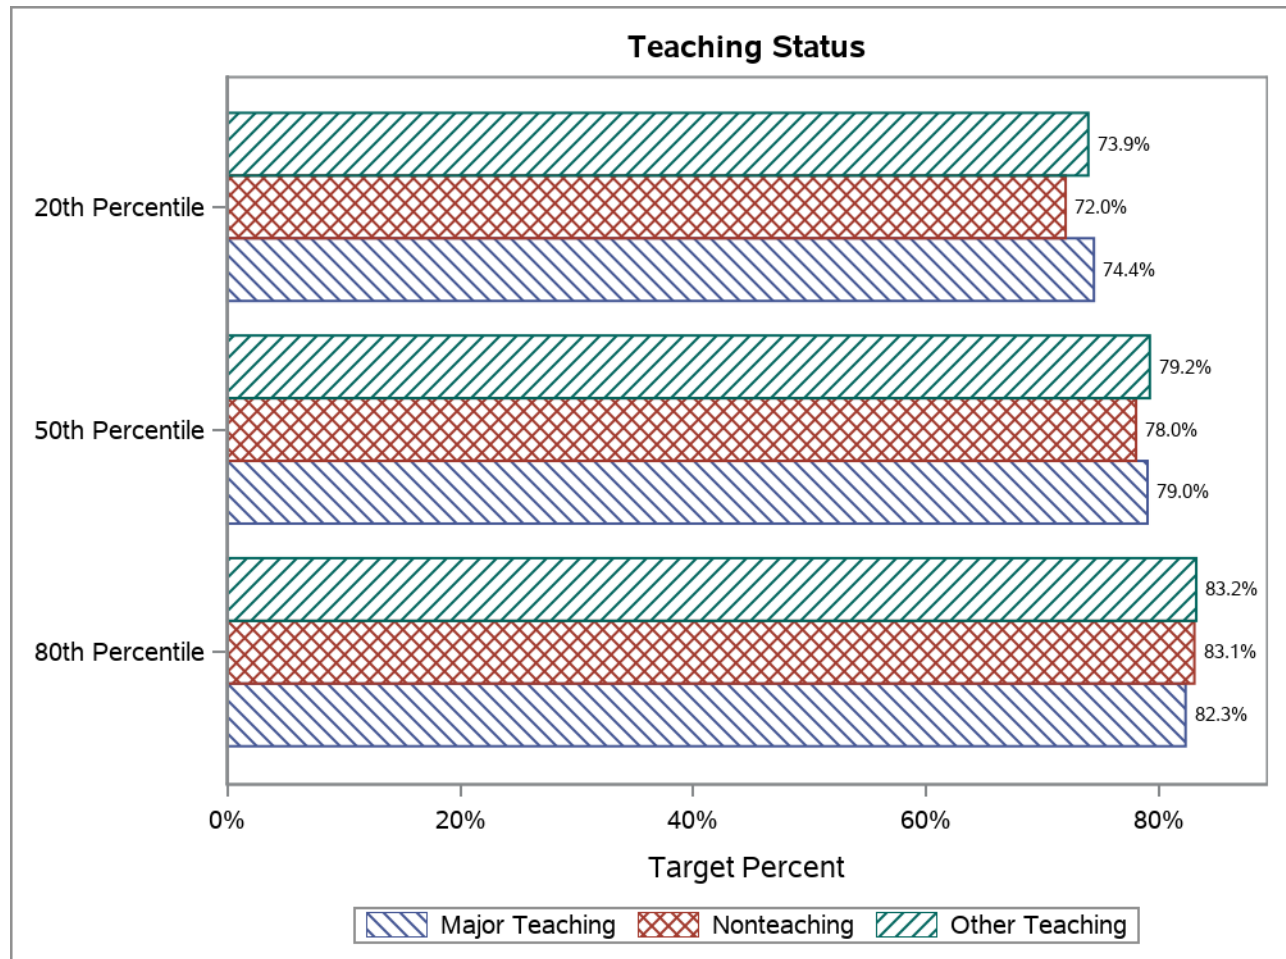

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Medical DRGs with CC or MCC - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	74.4%	79.0%	82.3%
Nonteaching	72.0%	78.0%	83.1%
Other Teaching	73.9%	79.2%	83.2%

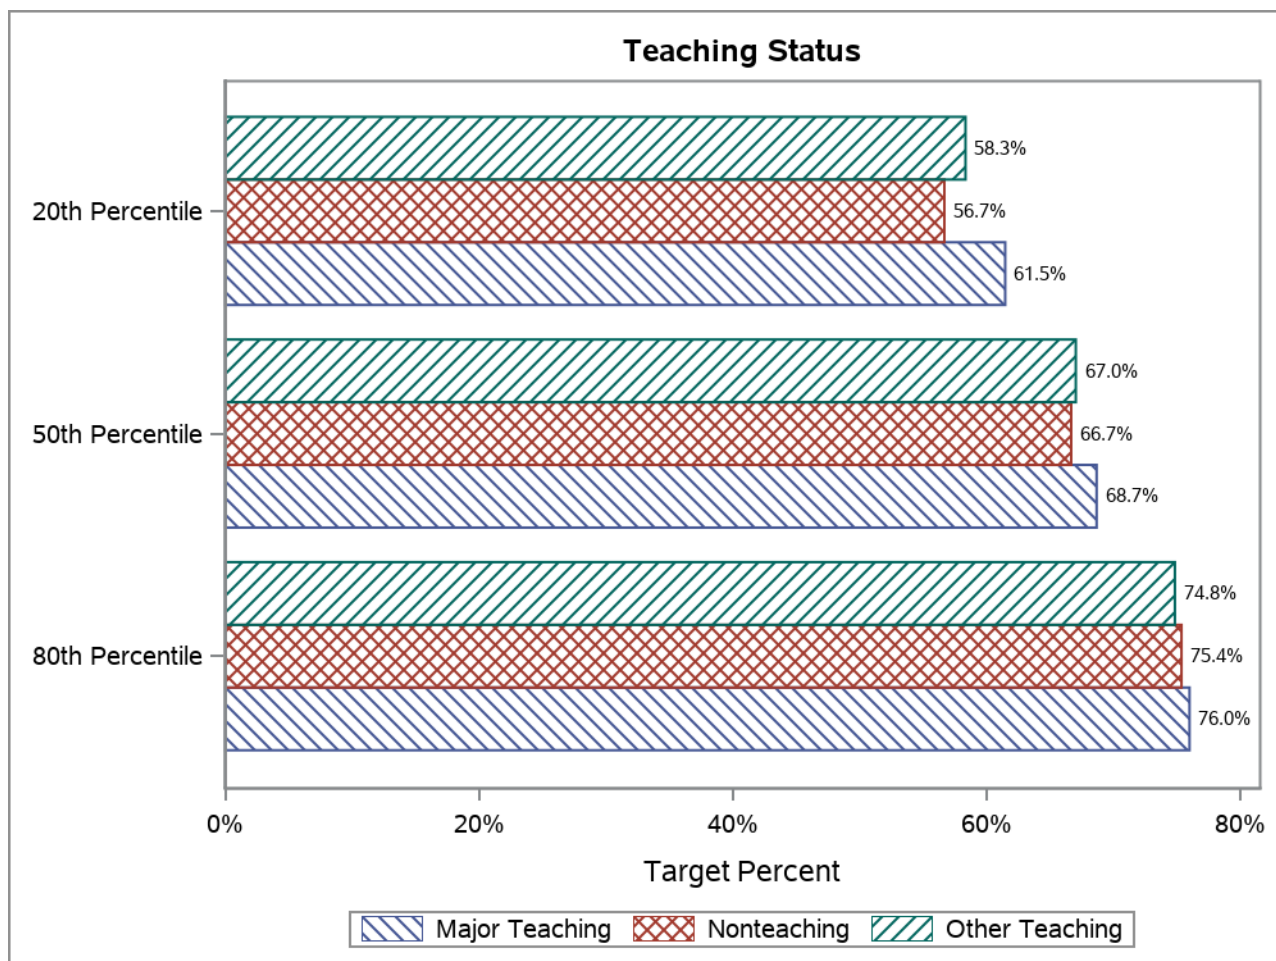

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Surgical DRGs with CC or MCC - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	61.5%	68.7%	76.0%
Nonteaching	56.7%	66.7%	75.4%
Other Teaching	58.3%	67.0%	74.8%

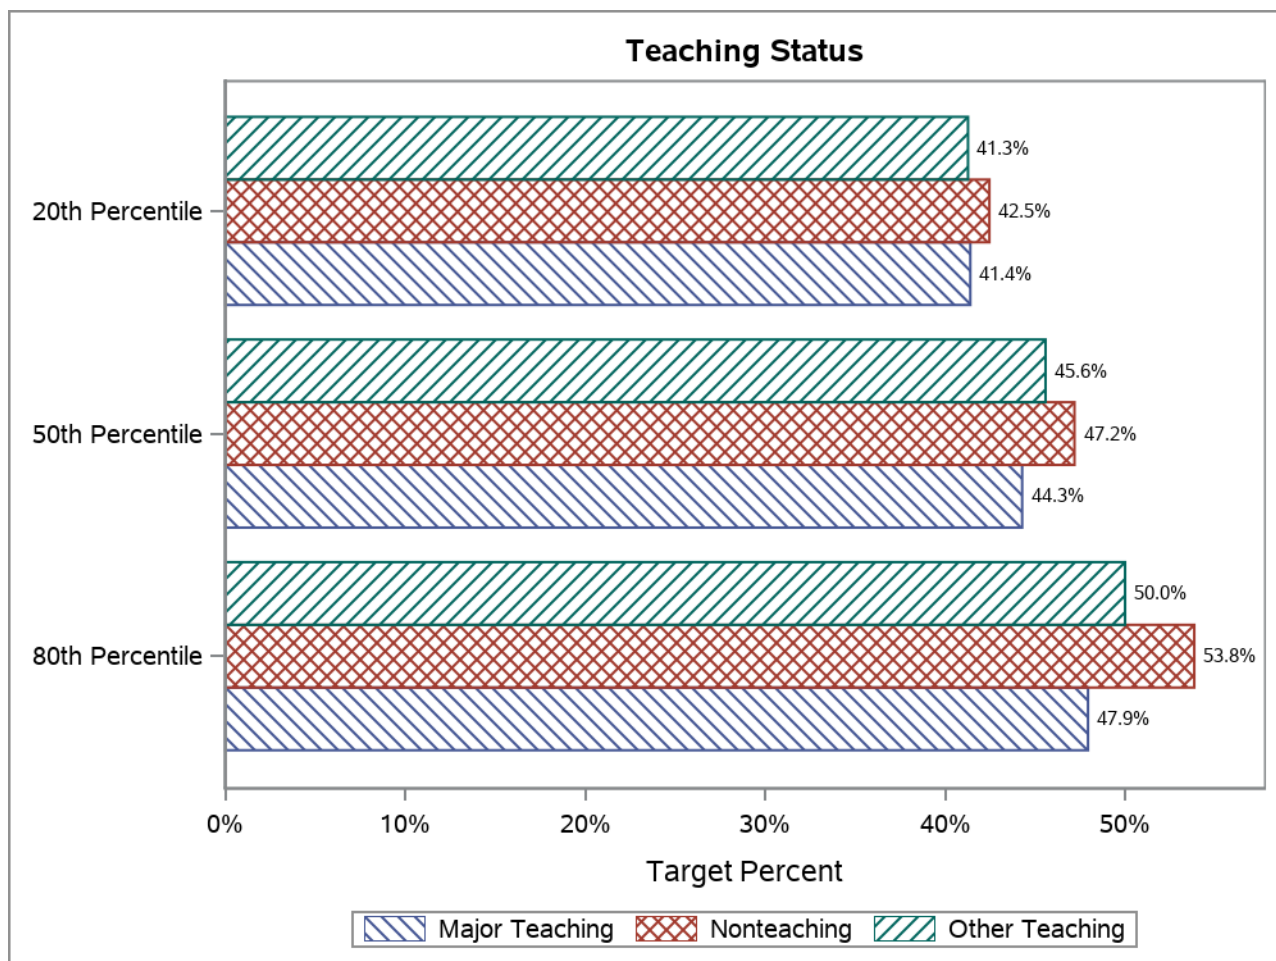

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Single CC or MCC - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	41.4%	44.3%	47.9%
Nonteaching	42.5%	47.2%	53.8%
Other Teaching	41.3%	45.6%	50.0%

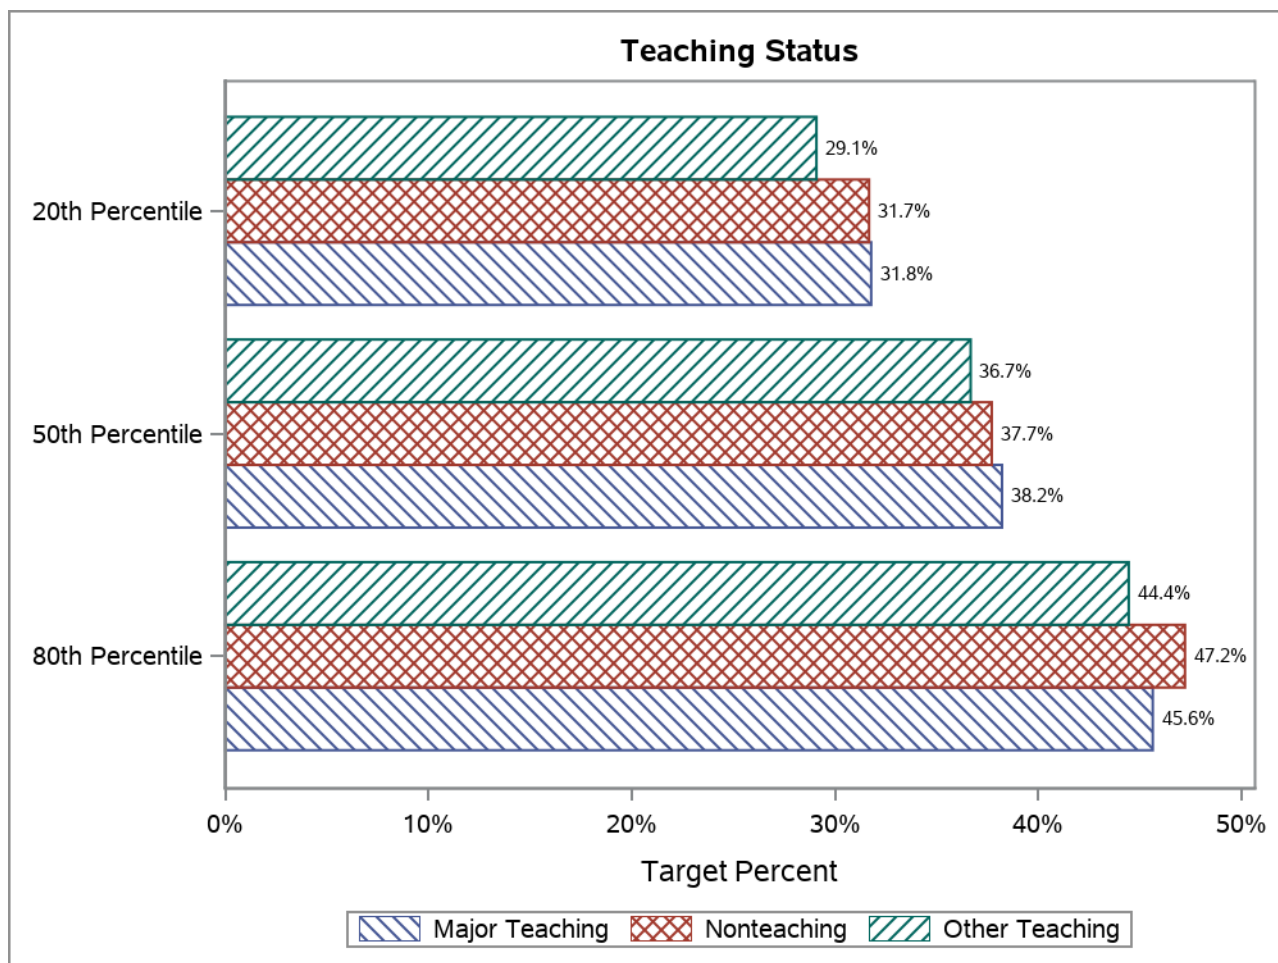

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Severe Malnutrition - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	31.8%	38.2%	45.6%
Nonteaching	31.7%	37.7%	47.2%
Other Teaching	29.1%	36.7%	44.4%

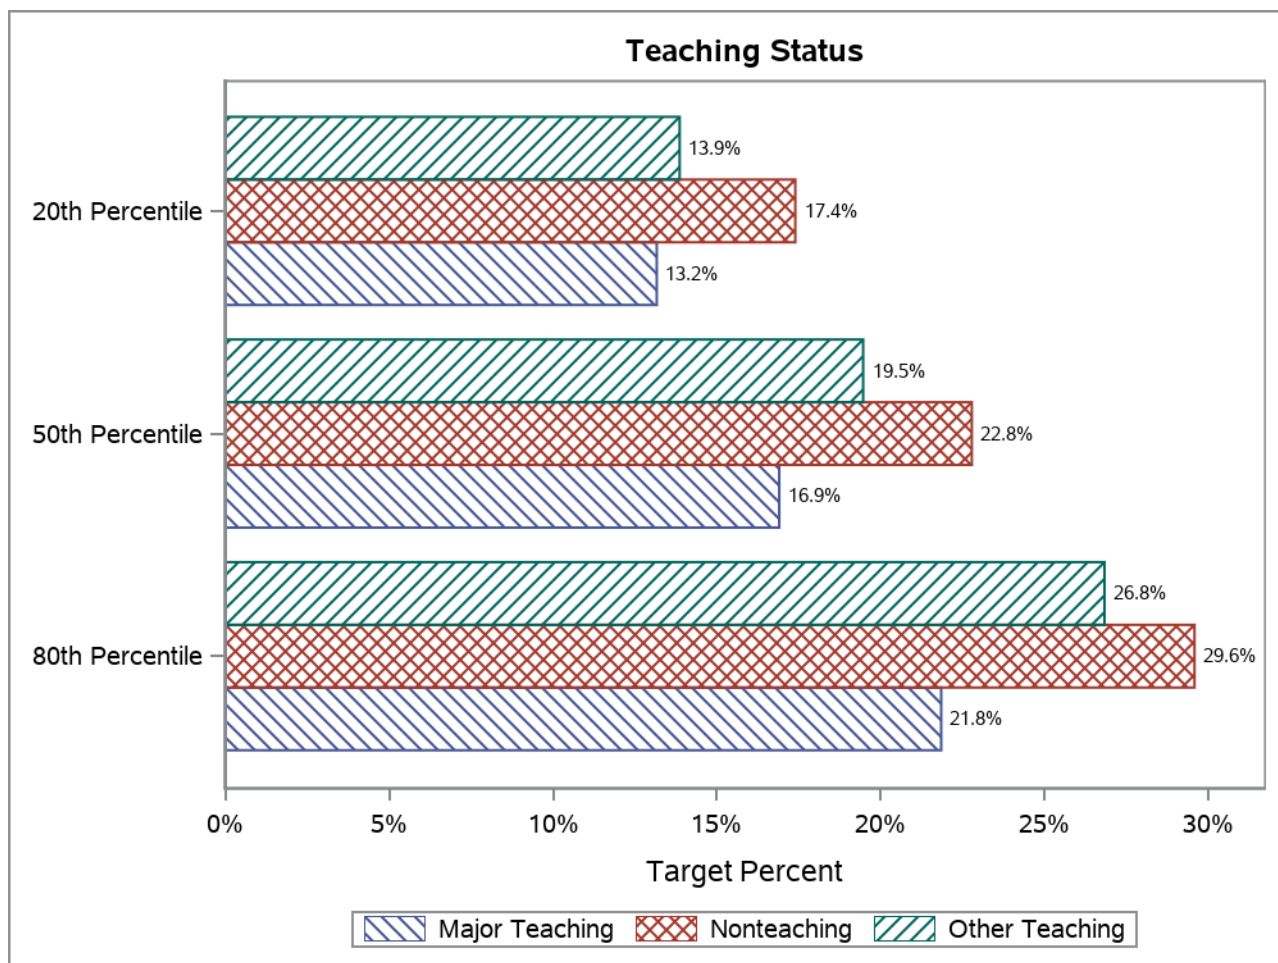

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Excisional Debridement - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	13.2%	16.9%	21.8%
Nonteaching	17.4%	22.8%	29.6%
Other Teaching	13.9%	19.5%	26.8%

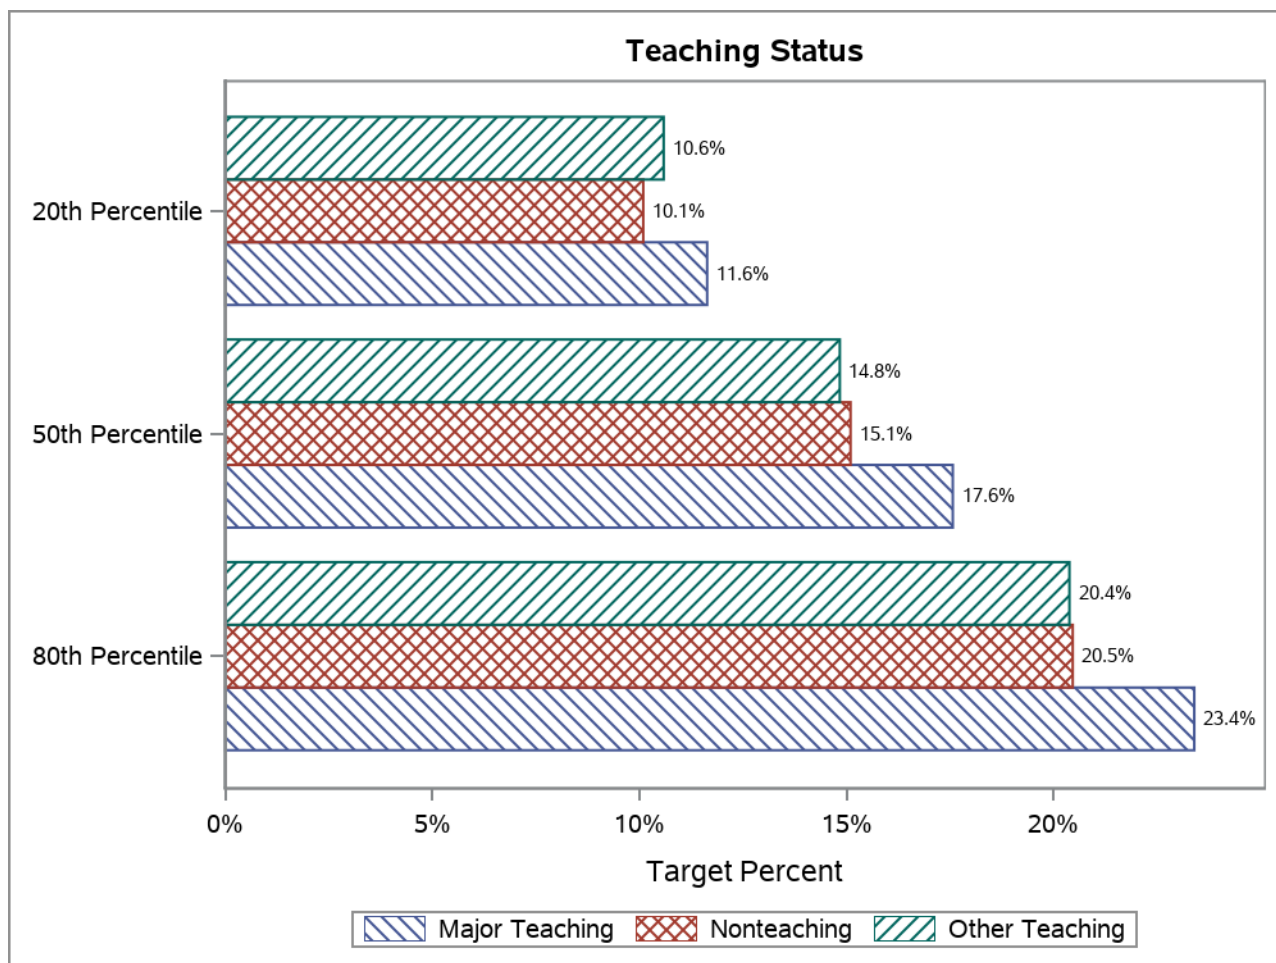

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Ventilator Support - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	11.6%	17.6%	23.4%
Nonteaching	10.1%	15.1%	20.5%
Other Teaching	10.6%	14.8%	20.4%

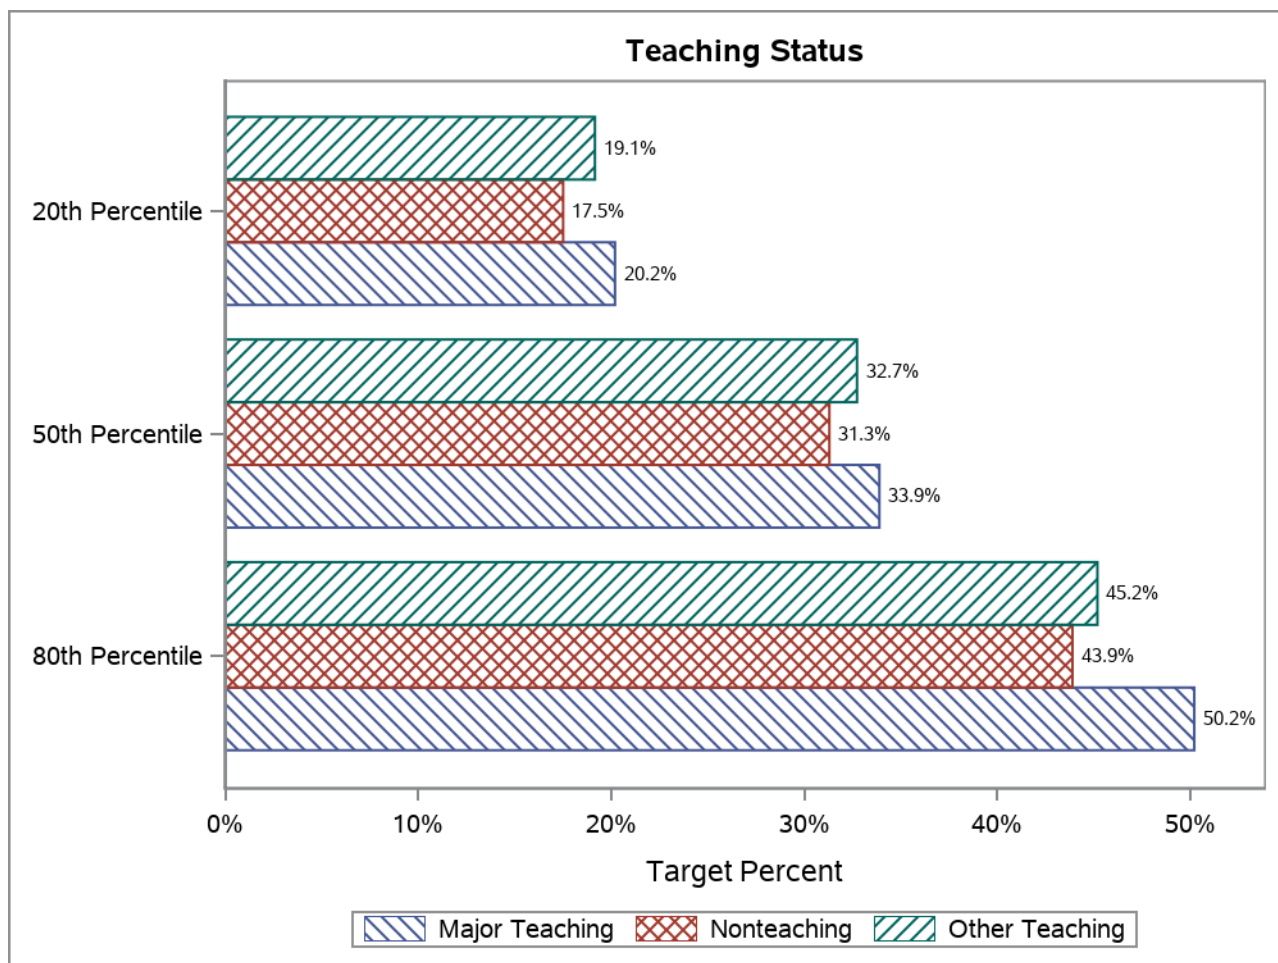

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Emergency Department Evaluation and Management Visits - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	20.2%	33.9%	50.2%
Nonteaching	17.5%	31.3%	43.9%
Other Teaching	19.1%	32.7%	45.2%

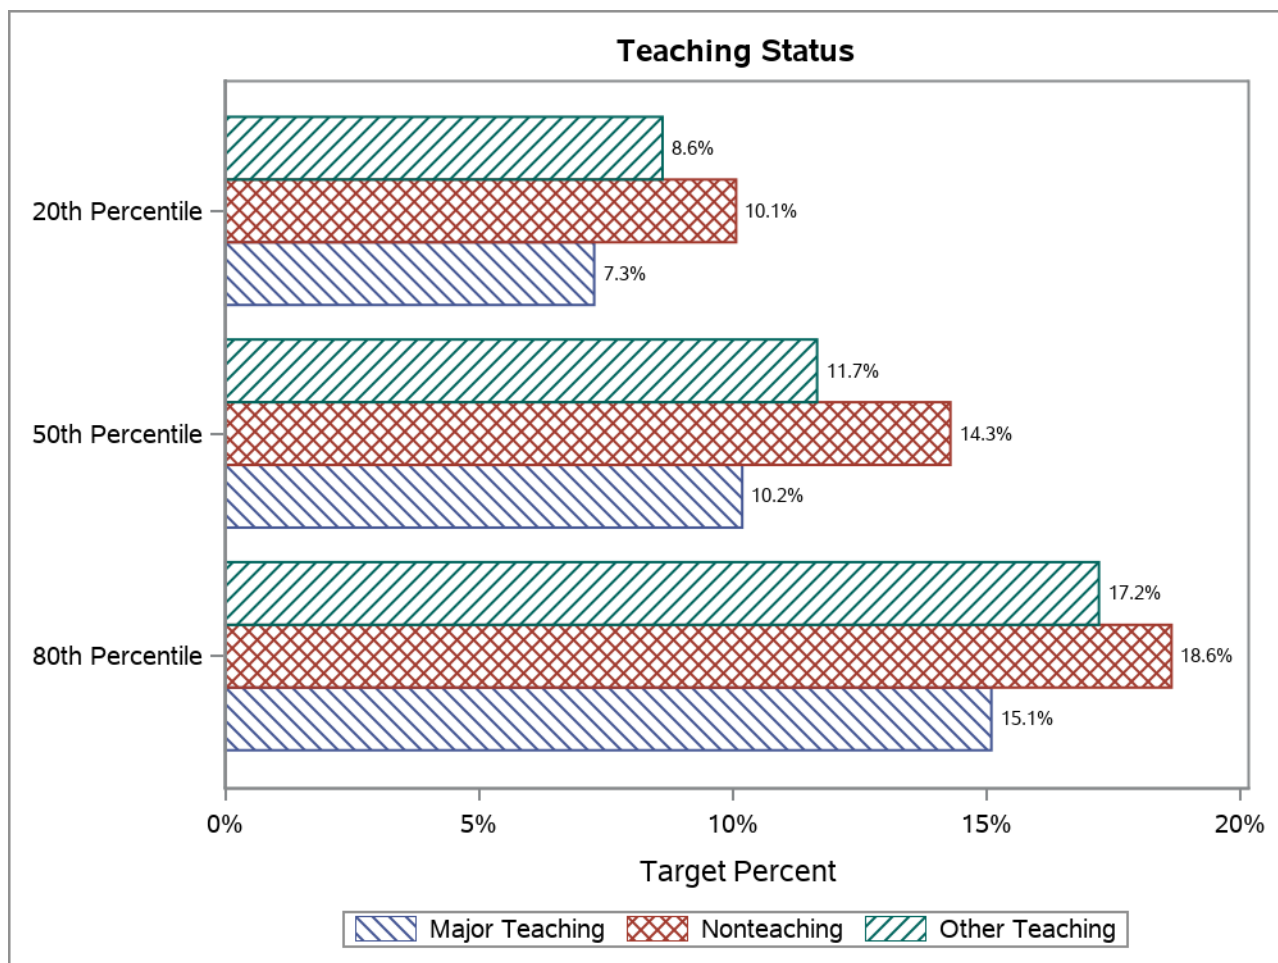

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Chronic Obstructive Pulmonary Disease - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	7.3%	10.2%	15.1%
Nonteaching	10.1%	14.3%	18.6%
Other Teaching	8.6%	11.7%	17.2%

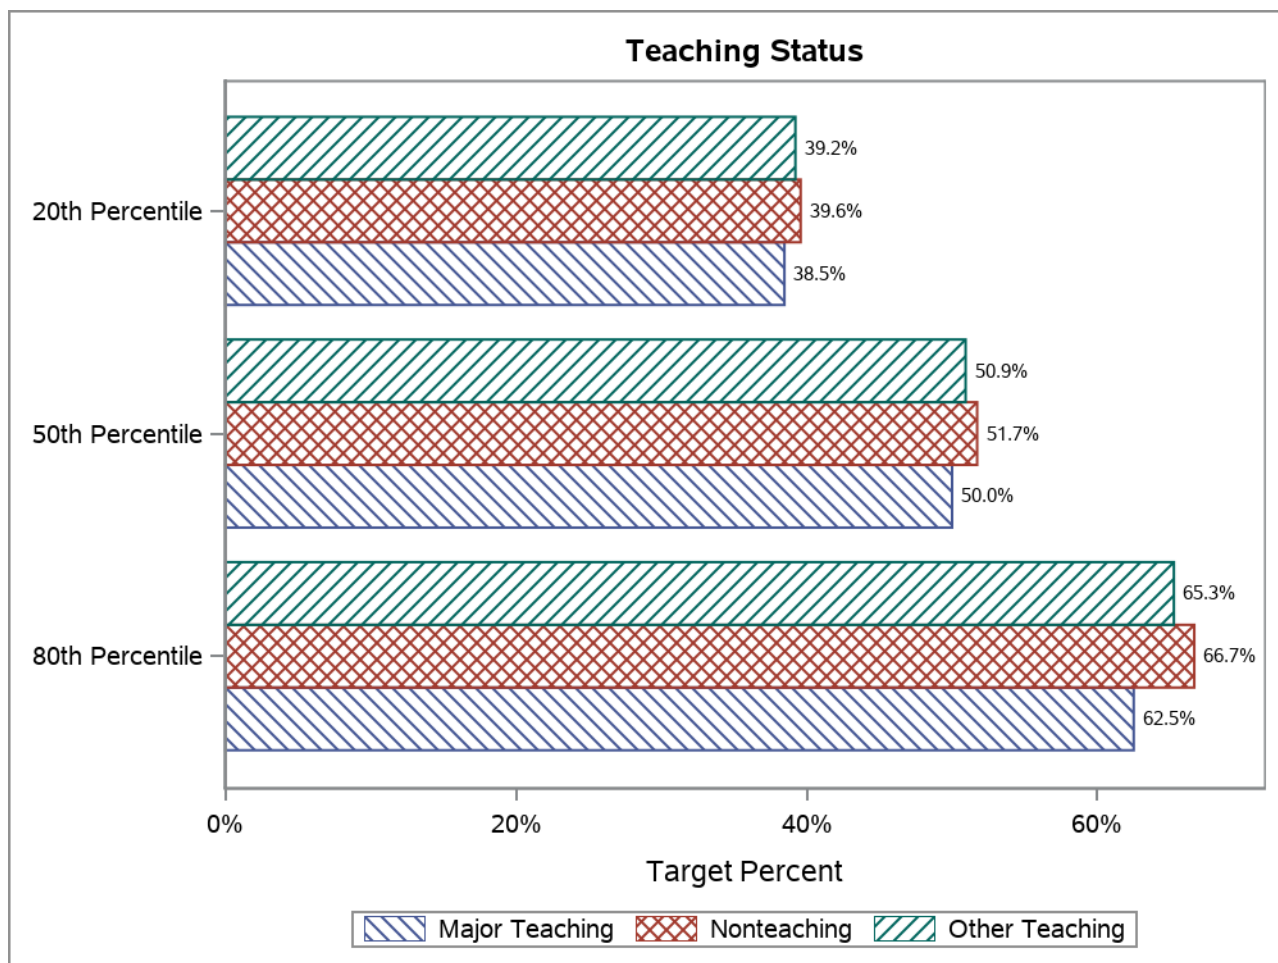

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Percutaneous Cardiovascular Procedures - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	38.5%	50.0%	62.5%
Nonteaching	39.6%	51.7%	66.7%
Other Teaching	39.2%	50.9%	65.3%

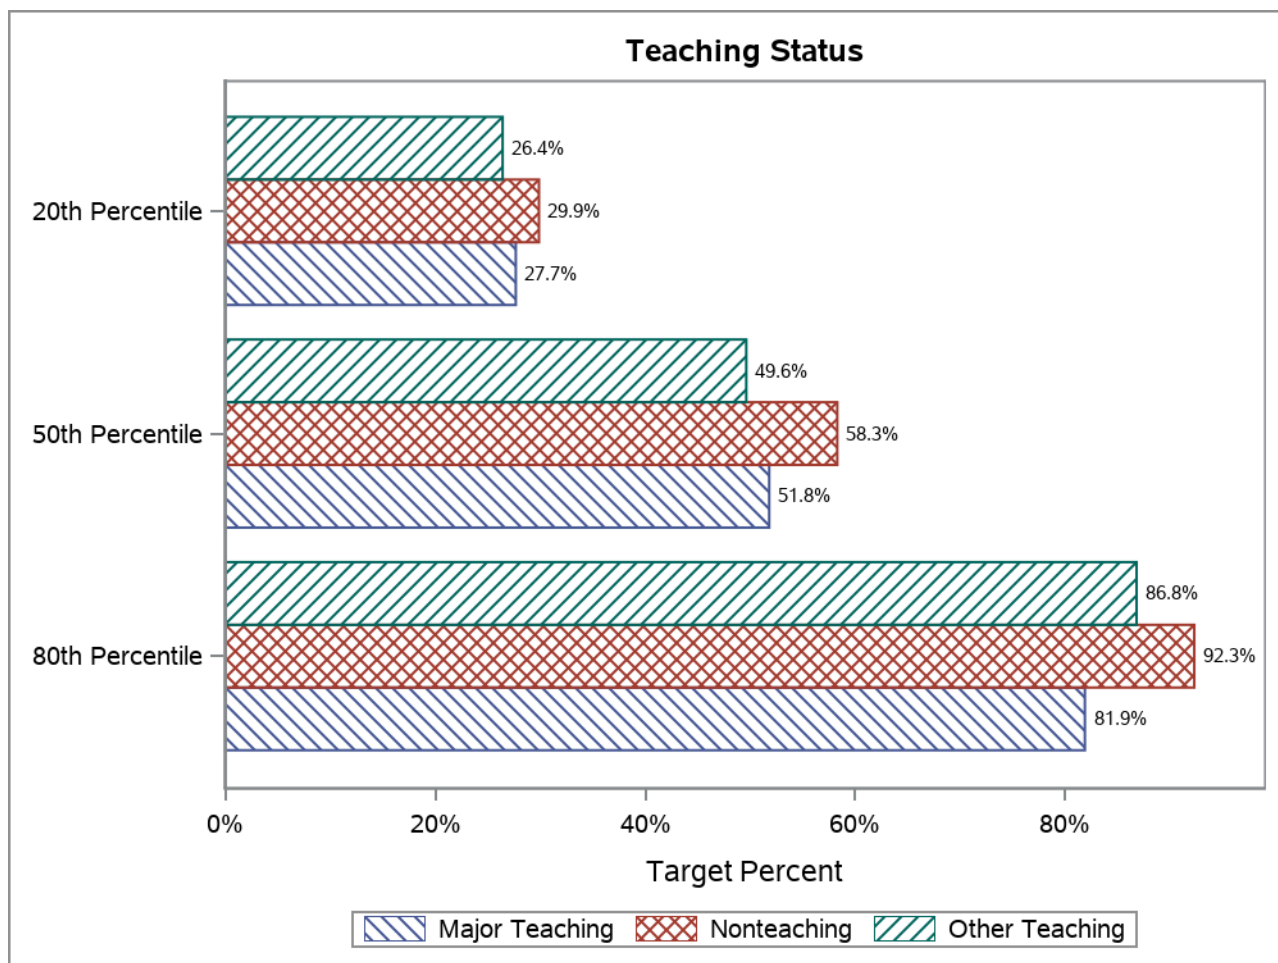

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Total Knee Replacement - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	27.7%	51.8%	81.9%
Nonteaching	29.9%	58.3%	92.3%
Other Teaching	26.4%	49.6%	86.8%

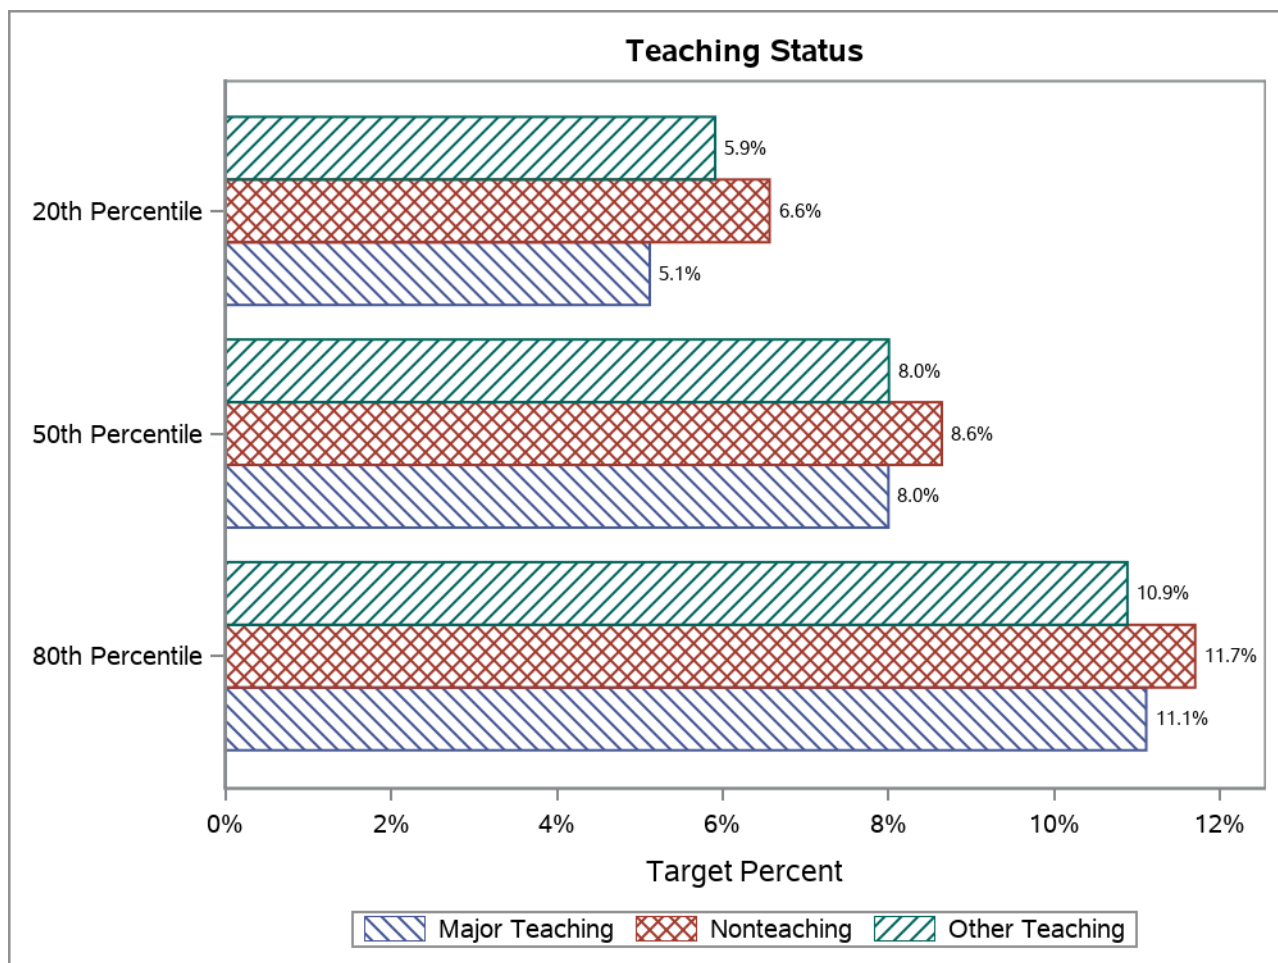

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Syncope - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	5.1%	8.0%	11.1%
Nonteaching	6.6%	8.6%	11.7%
Other Teaching	5.9%	8.0%	10.9%

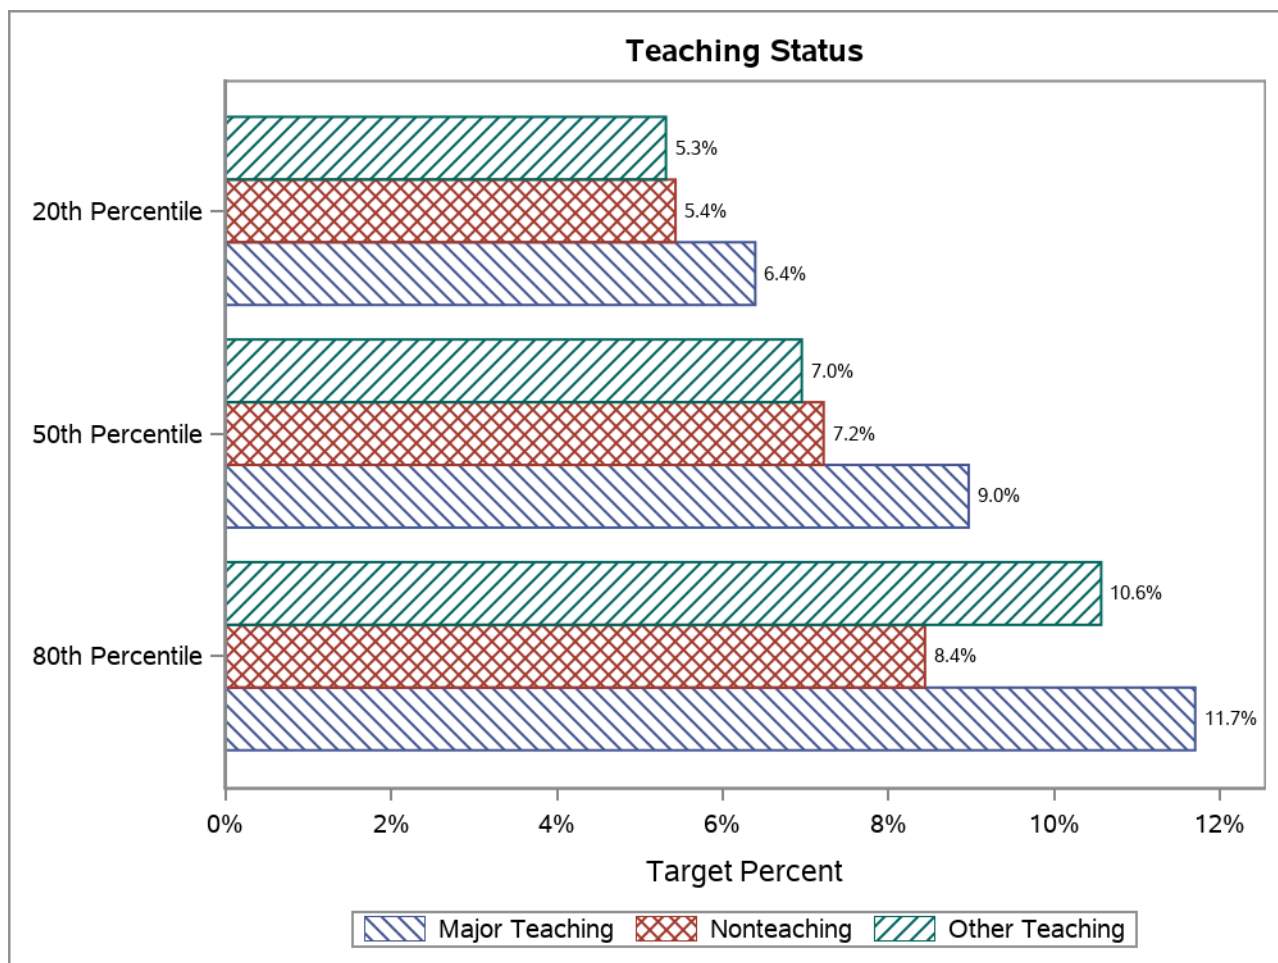

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Other Circulatory System Diagnoses - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	6.4%	9.0%	11.7%
Nonteaching	5.4%	7.2%	8.4%
Other Teaching	5.3%	7.0%	10.6%

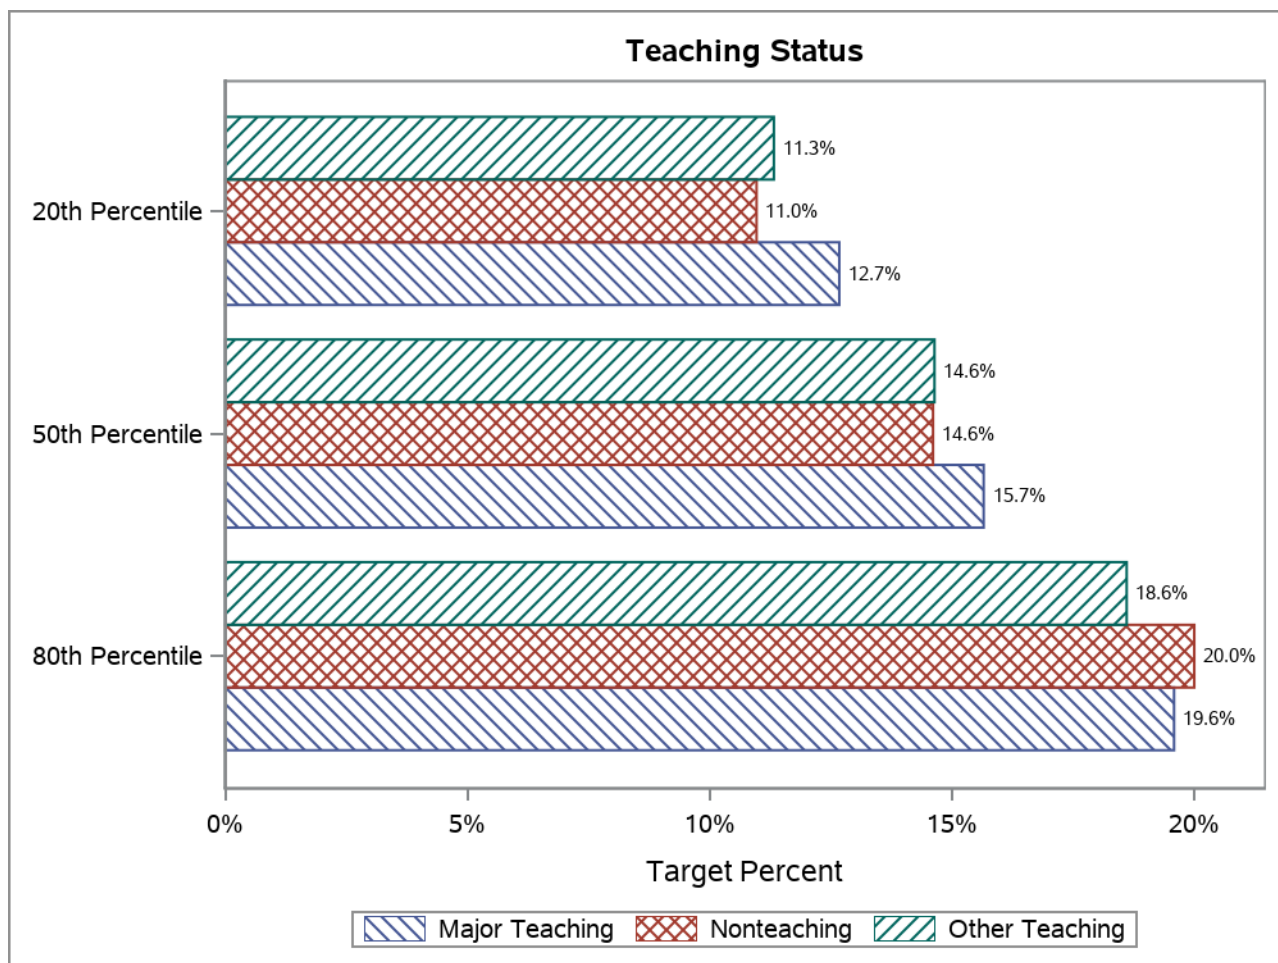

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Other Digestive System Diagnoses - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	12.7%	15.7%	19.6%
Nonteaching	11.0%	14.6%	20.0%
Other Teaching	11.3%	14.6%	18.6%

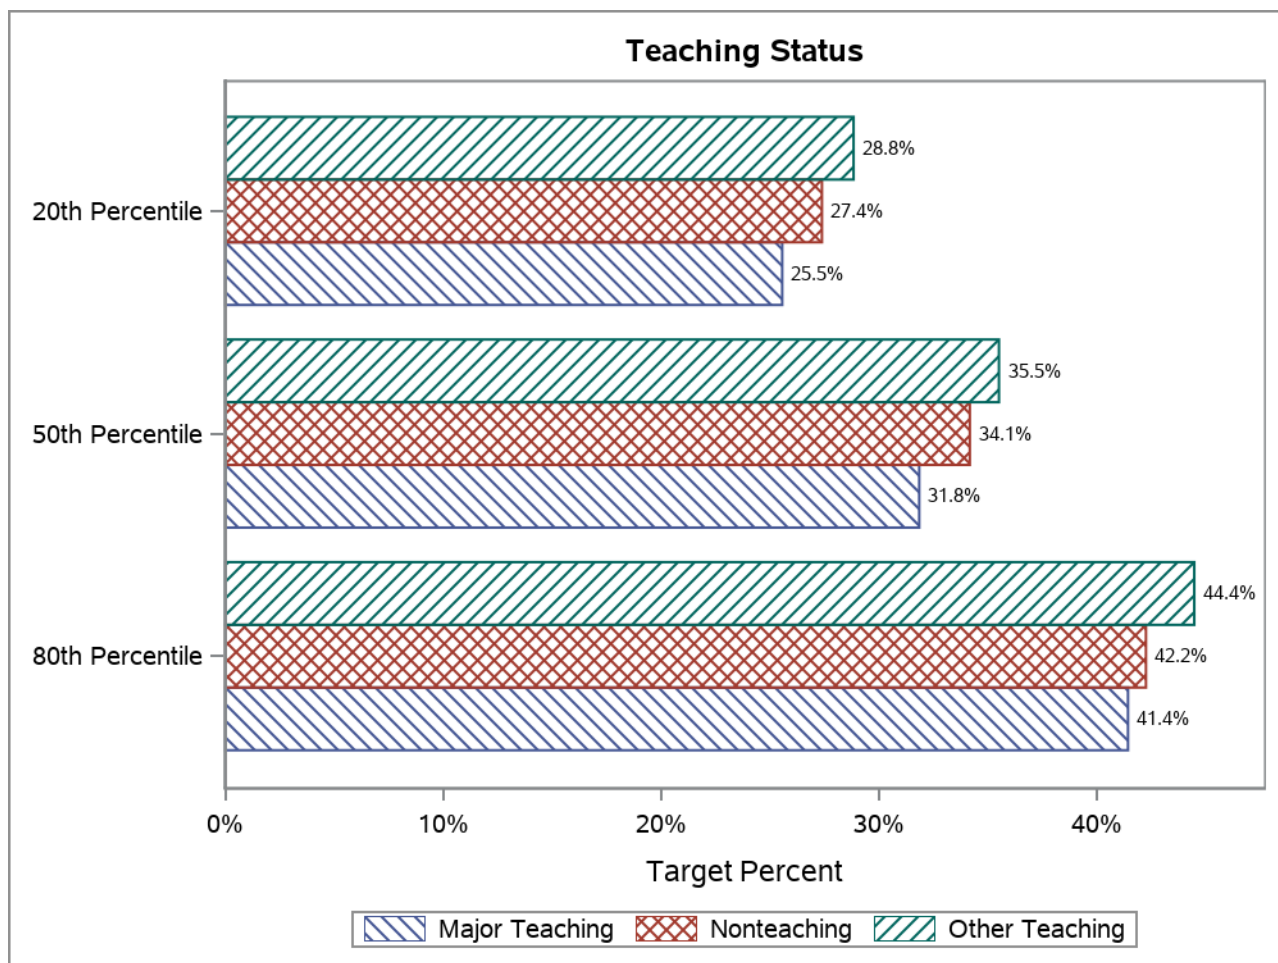

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Medical Back Problems - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	25.5%	31.8%	41.4%
Nonteaching	27.4%	34.1%	42.2%
Other Teaching	28.8%	35.5%	44.4%

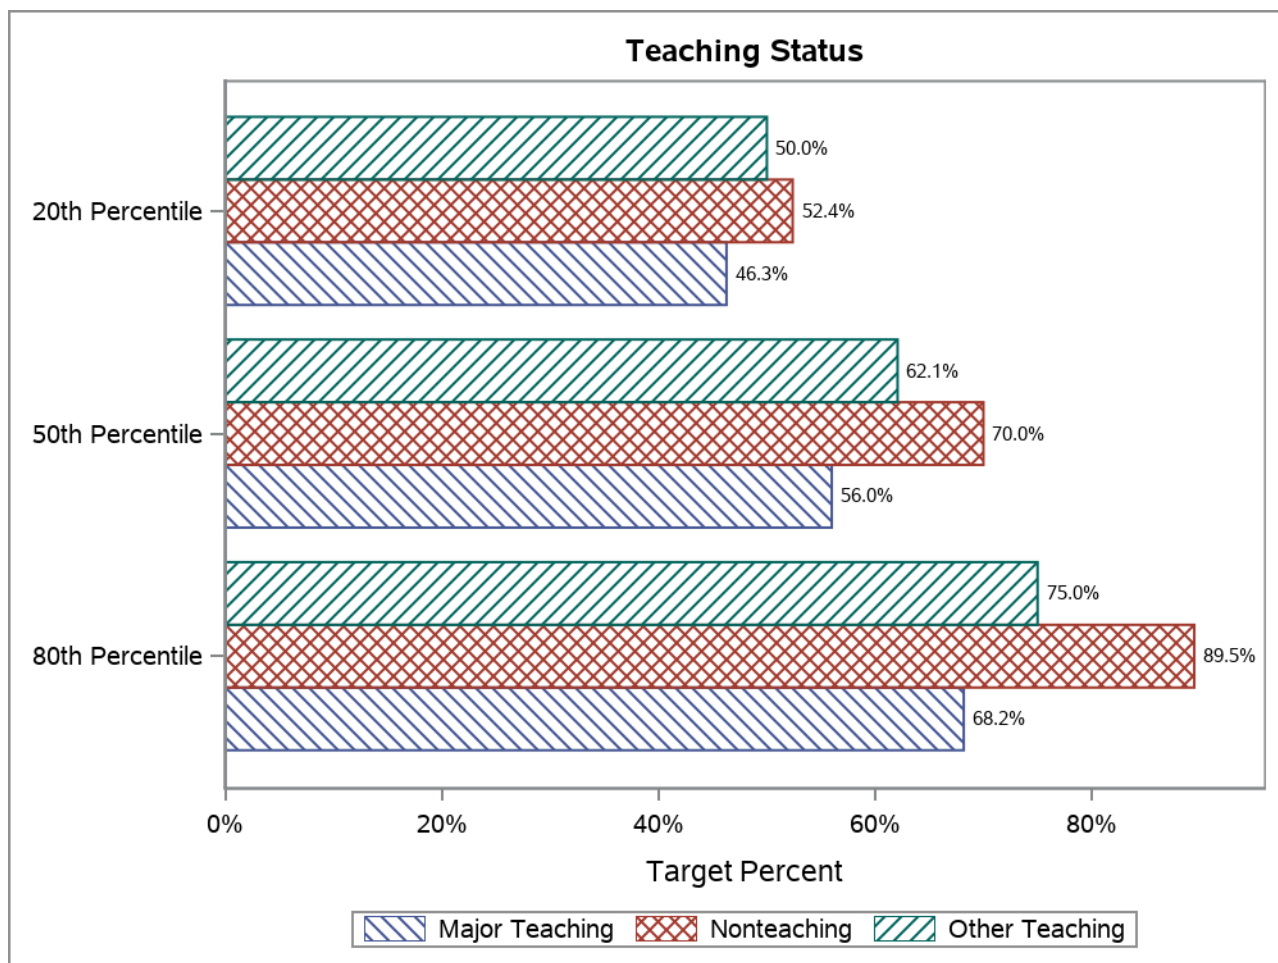

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Spinal Fusion - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	46.3%	56.0%	68.2%
Nonteaching	52.4%	70.0%	89.5%
Other Teaching	50.0%	62.1%	75.0%

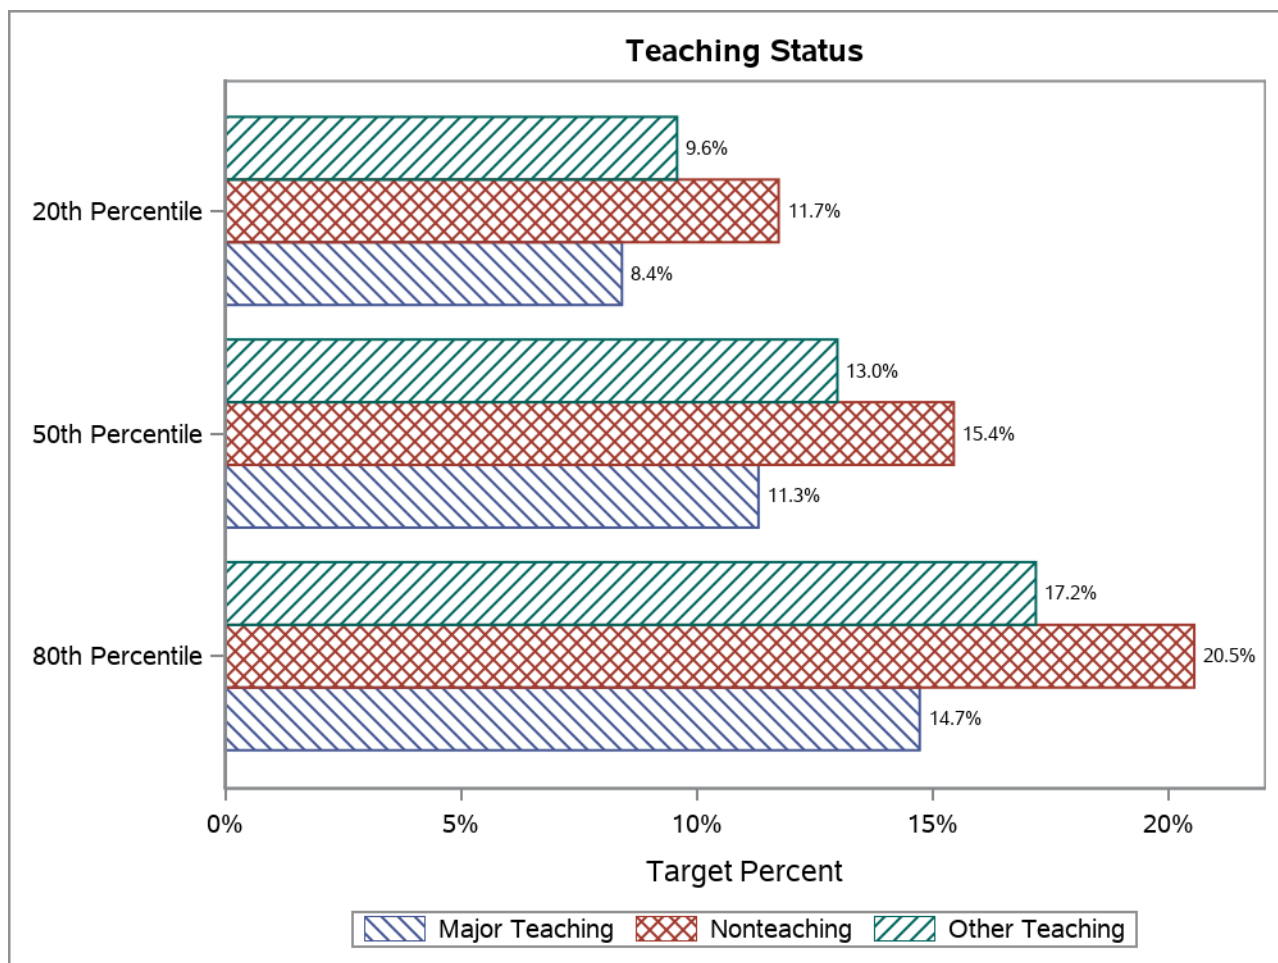

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: Three-Day Skilled Nursing Facility-Qualifying Admissions - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	8.4%	11.3%	14.7%
Nonteaching	11.7%	15.4%	20.5%
Other Teaching	9.6%	13.0%	17.2%

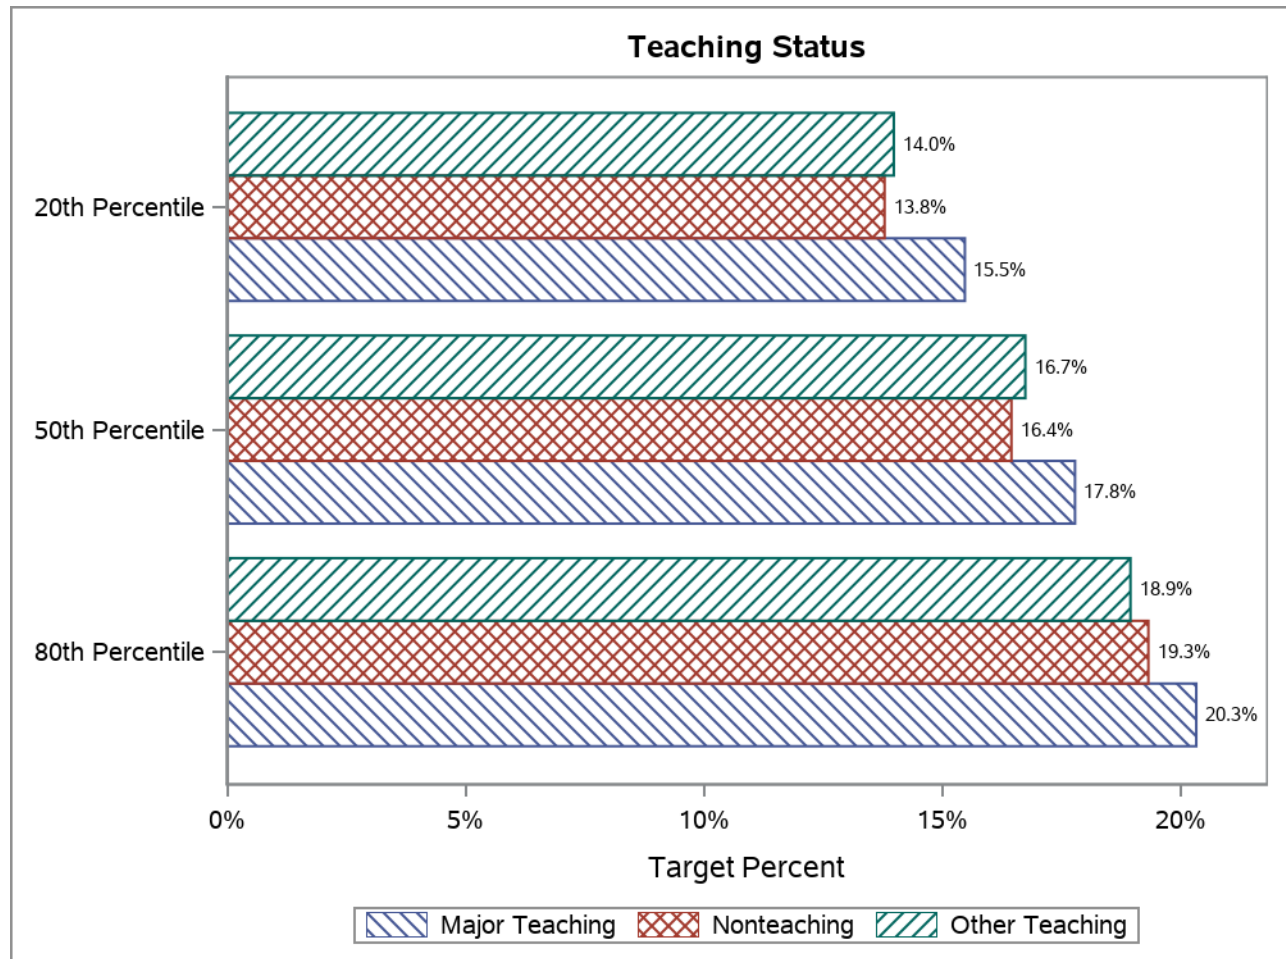

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: 30-Day Readmissions to Same Hospital or Elsewhere - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	15.5%	17.8%	20.3%
Nonteaching	13.8%	16.4%	19.3%
Other Teaching	14.0%	16.7%	18.9%

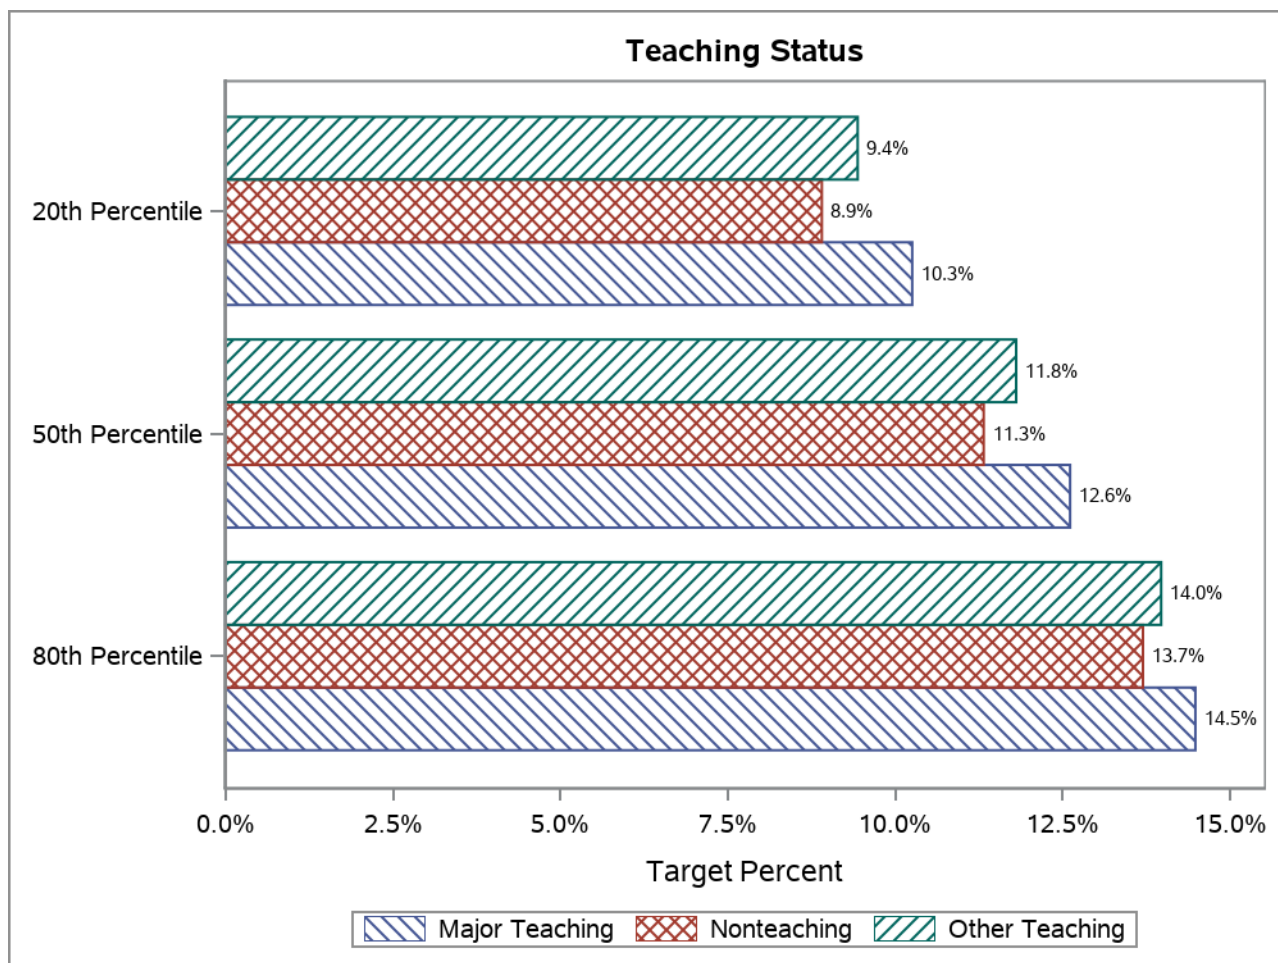

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.

Data source: Medicare Fee-for-Service discharges between Oct. 1, 2021 and Dec. 31, 2021.

Statistics are based on providers with at least 11 discharges in the numerator.

Target Area: 30-Day Readmissions to Same Hospital - Teaching Status

Demographic Group	20th Percentile	50th Percentile	80th Percentile
Major Teaching	10.3%	12.6%	14.5%
Nonteaching	8.9%	11.3%	13.7%
Other Teaching	9.4%	11.8%	14.0%

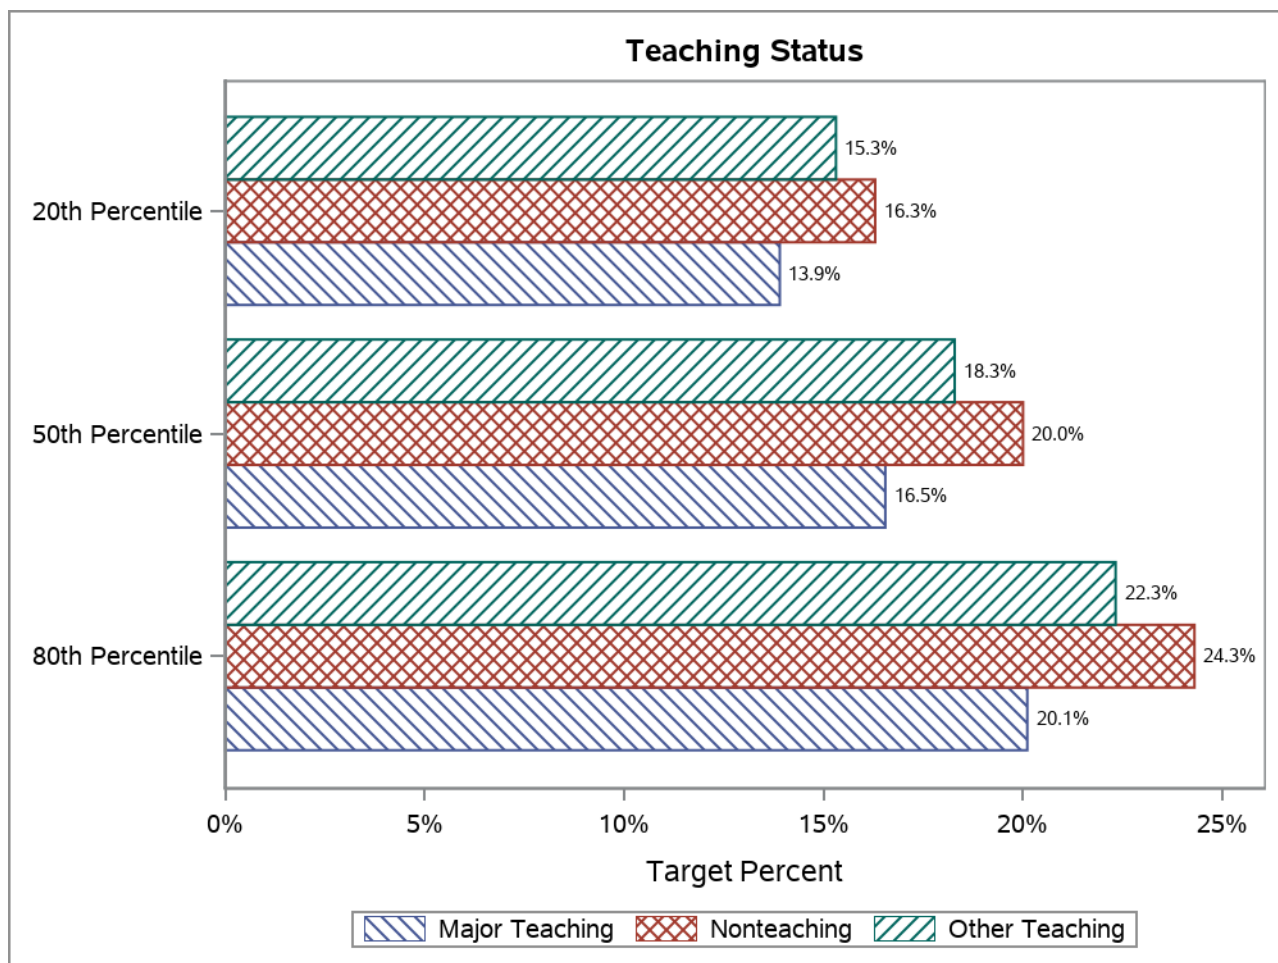

Note: A peer group must have at least 11 providers with reportable data to be presented in the chart.
